

# Flight Instructor Certificate

## About the Course

*The Flight Instructor Course comprises:*

- 30 hours of Flight Training
- 25 hours of Teaching & Learning Module
- 100 hours of Instructor Theoretical Knowledge Training including practice Pre & Post Flight Briefings

NFC Instructors who conduct the FI Course are highly experienced Flight Instructors who have amassed thousands of hours flying experience with airlines and within the Flight Training industry. This wealth of experience and knowledge is passed on to Student Flight Instructors to ensure they reach the highest standards and are adequately prepared to teach Student Pilots.

The Flight Instructor course provides the Student Instructor with the skills necessary to effectively teach the knowledge, skills and attitudes required for the Private Pilots' Licence.

## Pre-Requisites

Applicants for the FI Course must pass a pre-entry Flight Assessment and:

- (1) hold at least a CPL(A); or
- (2) hold at least a PPL(A) *and* have:
  - (i) met the requirements for CPL theoretical knowledge and
  - (ii) completed at least 200 hours of flight time on aeroplanes or TMGs, of which 150 hours as PIC;
- (3) have completed at least 30 hours on single-engine piston powered aeroplanes of which at least 5 hours shall have been completed during the 6 months preceding the pre-entry flight test and hold a current SEP rating;
- (4) have completed a VFR cross-country flight as PIC, including a flight of at least 300 NM in the course of which full stop landings at 2 different aerodromes shall be made;
- (5) have received at least 10 hours Instrument Flight Instruction;
- (6) have completed at least 20 hours of VFR Cross Country Flight.

## Flight Instructor Certificate

### Start Dates

Please contact NFC at [info@nfc.ie](mailto:info@nfc.ie) for course start dates.

### Course Length & Limitations

The course commences with the Teaching & Learning Module and initial theoretical knowledge training, completed over a full time two week period. Once completed, a mixture of flight training and further theoretical knowledge training commences, which can be done as a continuous course of instruction, or on a part time basis, to suit individual student needs.

### Costs

To register for the FI Course, students are required to pay €1,400, this is the cost of the Learning & Teaching Module, Ground School and academic material. All flight training and briefings are paid for when completed i.e. you pay for each flight training & briefing session after you receive it.

ITEM	AMOUNT	TOTAL
Registration – FlightLogger 6 month subscription	€80	€80
20 hrs Cessna 152	€224	€4,480
5 hrs Cessna 172	€245	€1,225
5 hrs Simulator Training	€187	€935
45 hrs Practice Briefings	€55	€2,475
80 hrs Learning & Teaching Module/TK Training	€1,400	€1,400
<b>Total</b>		<b>€10,595</b>

*Additional charges will be made by the IAA Examiner conducting the FI skills test.*

*Note that due to ATC, weather and other factors out side of NFC control, there can occasionally be delays to start times of flight lessons. NFC operate a student cancellation policy.*

*Various Airport charges, landing fees & touch & go fees will apply.*
