Multi Engine Instrument Rating, – Single Pilot

Start Dates

Each Student commences and progresses through the course at a time and pace that suits them.

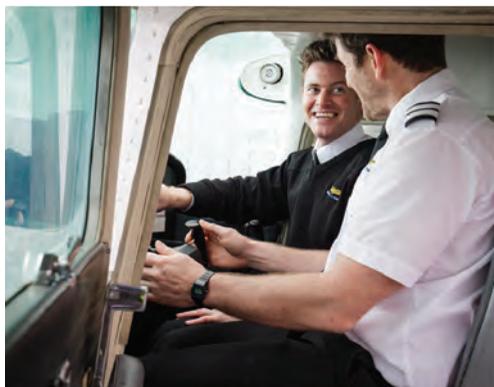

Course Length & Limitations

There is no set period during which the training must be completed. Our standard operating procedures dictate a maximum of 4 hours flying/ simulator training per day and 20 hours in any 6 day period.

Costs

National Flight Centre Pilot Academy operate a pay as you go policy i.e. you pay for each training session after you receive it.

Registration – FlightLogger 3 month subscription	€60	€60
15 Hours Flight Training BE76	€537	€8,055
40 Hours Flight Simulator Training	€227	€9,080
15 Hours Ground Briefings	€55	€825
2 Hours Hire of Aircraft for Flight Test	€537	€537

Total €18,557

Additional charges will be made by the Irish Aviation Authority for the issue of the MEIR. There is a charge to be paid by the student to the IAA Examiner that conducts the Pilot skills test.

Please note that due to ATC, weather and other factors outside of NFC control, there can occasionally be delays to start times of flight lessons. NFC operate a cancellation policy for short notice student cancellations.

Various Airport charges, landing fees & touch & go fees will apply.
