You could spend a lifetime exploring Namibia. Here we've assembled the highlights in the 11-day Namibia Highlights Safari – a journey of fascinating discovery that includes the Sossusvlei in the Namib-Naukluft Park, the Skeleton Coast, Damaraland and Etosha National Park.

The Namib Desert covers the entire Namibian coastline of over 1,500km and sweeps up to 200km inland. It is the planet's oldest desert and has an astonishing diversity of landscapes and habitats including the Great Sand Sea of Sossusvlei and the surreal Skeleton Coast north of Swakopmund.

Damaraland's scenic rocky outcrops and sandy riverbeds form a vast undulating landscape that shelters a variety of desert-adapted wildlife including elephant, rhino, lion and some rather hardy plains game.

Etosha National Park's plains game come to drink during the middle of the day when predators are most lethargic; thus it's not uncommon to have a collage of several different species in the same frame. Lions, elephants and several endemic species of antelope and birds - including 46 raptors - add to the game viewing excitement.

### Travel Insurance

We highly recommend that you arrange your own travel insurance. Not only for your own peace of mind, but also to cover you in the event of possible tour cancellation, emergency evacuation, medical and repatriation expenses as well damage/loss/theft of your personal belongings, camera equipment, money and the like.

### Contact Detail

It is important that you give me contact detail of your next of kin or a friend whom I could contact in the event of an emergency. This detail you can give me on the Booking Form that I will forward to you.

### Passports/Visas/Vaccinations

- Please note that Africa Tours and Safaris cannot be held responsible for any of the above.
- Passports need to be valid for at least 6 months from date of departure (the date you end your holiday) from Namibia/Botswana etc.
- Traveling with minors - for parents travelling with children under the age of 18 into or out of South Africa, Namibia or Botswana - you need to have the child's full un-abridged birth certificate with you. [See this link for more information.](#)
- Please check on the internet or an Embassy whether you require a VISA to be arranged in advance or whether you can obtain it at point of entry. In some cases, it can take up to 3 months for Visas to be issued so please do not leave this to the last minute. Please note that we cannot arrange Visas from our side as the application requires your signature as well as the actual passport to be endorsed.
- The same applies to any possible vaccinations. Your doctor should be able to advise you.

### Some Tips and Requests

- Please ensure your consultant has your phone number, preferably a local cellular number
- Satellite phones are available for rental so if required, please request one when making your reservation
- Bag types and sizes for local flights: bags to be soft type as luggage bays of small aircraft cannot hold large hard shell bags. If bag sizes and weights do not comply, extra charges could incur
- Luggage weight limitation is vital for your own safety. If luggage weight exceeds limits, some luggage will be unpacked and extra costs could incur
- Stick to speed limits as speeding is not only breaking the law, but also negates/cancels any insurance claims and should there be an accident, you will be liable for 100% of repair costs
