General Flight Conditions

- Arrival and Departure times at the different lodges can vary and will be communicated with the lodges/agents at least the day before departure.
- On a scheduled seat rate flight routing will be planned per the number of passengers booked and their respective destinations. These are not always direct flights.
- Private charter flights mean that you will be travelling alone in the aircraft for the duration of your tour and your flight times are reasonably flexible throughout. You can discuss the flight times with your pilot as you go along. Please note that pilot accommodation has been booked throughout as it is compulsory for private charter flights but keep in mind that you may not have the same pilot throughout and your pilot may not stay at the lodges on all nights, if the aircraft needs to be pulled in an emergency or for maintenance.
- Type of aircraft used and luggage restrictions will be determined by the number of passengers booked and the route they travel. Below is an indication.
- Luggage Detail:

Scheduled Seat Rate Flights:

- STRICTLY not more than 20kg in small soft bags only.
- Inclusive of hand luggage per person.
- Provided that the pax all have an average weight of 80kg each.

- Inclusive of hand luggage per person.
- Provided that the pax all have an average weight of 80kg each.

3 Pax: STRICTLY not more than 15kg in small soft bags only.

- Inclusive of hand luggage per person.
- Provided that the pax all have an average weight of 80kg each.

4 Pax: STRICTLY not more than 10kg in small soft bags only.

- Inclusive of hand luggage per person.
- Provided that the pax all have an average weight of 80kg each.

- Ideal bag as indicated - Dimensions: 700mm x 300mm x 360mm
- Flights only operate during daylight hours. All flights take place between sunrise & sunset.
- Fuel is a major component of the cost of these services. As such we will be unable to honor these rates should the fuel price increase substantially. Should this happen we will adjust our rates and update you.
- Should the Namibian currency weaken substantially against the US\$ aircraft companies reserve the right to adjust their rates. You will be advised accordingly.
- Flight companies only fly in fair weather. Whilst every effort will be made to get you to your destination at the agreed time, flight companies will not jeopardize your safety. We are blessed with 300 days of sunshine per year in Namibia. Rarely does weather either delay, or at worse force us

to cancel a flight. Should either of these scenarios occur, you will be advised immediately. Costs incurred due to or caused by these diversions/cancellations e.g. Extra accommodation, transfers, meals, missed flights, will be for the clients' account. Should the flight company have incurred any costs, we will charge full cancellation fees or only refund partially. Weather is an act of God and not at the behest of the flight company. The crew will check en-route weather and weather at the destination carefully before embarking on the flight, but these conditions change very rapidly in Namibia.

- Flight companies can only operate into & out of airfields which are serviceable. Airfields are not owned, operated or maintained by the flight companies. This places the control over, as well as the condition of these airfields beyond the flight company's control. The flight companies will not jeopardize the safety or its operations by flying into unsafe airfields. The flight companies will be obliged to cancel a flight at short notice if it is discovered that the destination airfield is unsafe to operate into. Every effort will be sought to find an alternate airfield to fly into. However, this might not always be possible & as such the flight company may not be held liable for any inconvenience or additional costs in this regard.
- The aircraft company reserves the right to load the aircraft & seat the passengers in an arrangement of its choosing to comply with safety considerations.
- If for any reason clients missed their international connecting flights and they are delayed or not arriving on the time as originally planned (short notice cancellations / changes) we will charge full cancellation fees.
- Please inform us of passengers with a medical condition e.g. respiratory problems, diabetes, heart conditions that might require special attention and/or medication. We also need to be informed of female passengers that are pregnant at the time of travel. Namibian Law requires a medical certificate for passengers that are past their 2nd trimester of pregnancy. Most flights are done in non-pressurized small aircraft. We would require the medical certificate to state that passengers are cleared to fly in these types of aircraft.

Please inform us of passenger weights (in kilograms) soonest to determine final luggage allowances

Important Information

Shared Transfers and Activities

Road, boat, air transfers and activities are quoted on a seat basis (on a shared basis and NOT private) unless otherwise requested or specified. Private charters/transfers can however be requested at an additional cost. Passengers may have various stops en-route to a destination adding to the duration of the transfer. International flight connections are accounted for in the daily schedules.

On shared transfers all the flight times are arranged a day before travel to avoid endless schedule changes. The transfer or charter company reserves the right to specify departure and arrival times.

Weight and Luggage Restrictions

The travel agent / tour operator should advise the Company in the event that a passenger weighs over 100kg at the time of requesting a quotation, as well as at time of confirming the booking, as it may be necessary to cost in an additional seat on internal flights for the passenger's safety and comfort.

Luggage is restricted on flight transfers to 20kg per person in soft bags, which includes all hand luggage and camera equipment. Please refer to your itinerary notes, as in some instances, and in some countries, such as Zambia and Zimbabwe this limitation is decreased to 15kg per person. Please note that luggage in excess of the above restrictions shall result in additional costs for transport and/or storage and should be arranged in advance. Note that laundry can be done on a daily basis at most camps and lodges.

Health

The travel agents / tour operators shall ensure that the Client acknowledges and is made aware of the proposed itinerary and confirms that he/she is medically fit, in good physical and mental health and that there is nothing which renders him/her unfit to undertake the tour.

Any Client with a pre-existing medical condition or illness must declare the true nature of such conditions to the Company before the commencement of the tour. The Client is responsible for attending to any medical condition which he/she may have and must consult with his/her physician in respect of all medical conditions which might be affected by his/her participation in the tour, activities or associated activities.

The travel agent / tour operator shall inform the Clients that certain areas included in the tour are malaria-infected areas and that he/she should take reasonable anti-malaria precautions.

Arrival and Departure Details

It is imperative that we have the correct International/Regional arrival and departure details for the clients in order to plan the itinerary and ensure efficient onward transfers. Costs may be incurred if these details are not given on quotation, or if they change subsequent to confirmation.

Travel Insurance

We highly recommend that you arrange your own travel insurance. Not only for your own peace of mind, but also to cover you in the event of possible tour cancellation, emergency evacuation, medical and repatriation expenses as well damage/loss/theft of your personal belongings, camera equipment, money and the like.

Contact Detail

It is important that you give me contact detail of your next of kin or a friend whom I could contact in the event of an emergency. This detail you can give me on the Booking Form that I will forward to you.

Passports/Visas/Vaccinations

- Please note that Africa Tours and Safaris cannot be held responsible for any of the above.
- Passports need to be valid for at least 6 months from date of departure (the date you end your holiday) from Namibia/Botswana etc.
- Traveling with minors - for parents travelling with children under the age of 18 into or out of South Africa, Namibia or Botswana - you need to have the child's full un-abridged birth certificate with you. [See this link for more information.](#)
- Please check on the internet or an Embassy whether you require a VISA to be arranged in advance or whether you can obtain it at point of entry. In some cases, it can take up to 3 months for Visas to be issued so please do not leave this to the last minute. Please note that we cannot arrange Visas from our side as the application requires your signature as well as the actual passport to be endorsed.
- The same applies to any possible vaccinations. Your doctor should be able to advise you.

Some Tips and Requests

- Please ensure your consultant has your phone number, preferably a local cellular number
- Satellite phones are available for rental so if required, please request one when making your reservation
- Bag types and sizes for local flights: bags to be soft type as luggage bays of small aircraft cannot hold large hard shell bags. If bag sizes and weights do not comply, extra charges could incur
- Luggage weight limitation is vital for your own safety. If luggage weight exceeds limits, some luggage will be unpacked and extra costs could incur
- Stick to speed limits as speeding is not only breaking the law, but also negates/cancels any insurance claims and should there be an accident, you will be liable for 100% of repair costs
