

Cut Down Red Yellow Green Rule
Described Video Transcript

00:00:00:01 - 00:00:00:15

(MUSIC)

(DESCRIBED VIDEO)

The CAA Calling All Neighbours logo appears over a blue and white background

00:00:00:15 - 00:00:11:08

[NARRATOR]

CAA understands the importance of communicating with members clearly, and in a way that provides peace of mind. In the auto mechanic world, things should be no different.

00:00:19:05 - 00:00:40:05

[CARLO]

The Red Yellow Green Rule breaks down to: red means a safety issue with your vehicle, or critical maintenance required. The yellow means it's a caution, something that may require attention within the next six month period, or soon to be planned-for maintenance. Green? Well, that's easy, That just means it's good to go.
