[KRISTEN]

For people who are watching, because I don't think they know the amount of letters that we got, that came to see the show, and were touched so much by it that they wrote us letters saying that when the show ended, and they walked outside, they turned to whoever they went, came to the show with, and said, "How can we do better? I want to do something. I want to help, I want to do better, I want to be better."
