[GEORGE]

"Welcome to the Rock" is our powerful opening number. Not only is this song a rally cry for all islanders, but a reminder of the kindness and neighbourly spirit found in all Canadians. When the sun is coming up, and the world has come ashore, if you're hoping for a harbour, then you'll find an open door. This is what it means to be a good neighbour, to look out for one another, to open your door for your community and for visitors, to care for each other unconditionally. This is what CAA does. This is what all great Canadians do. And now, we're proud to share this song with you. CAA's Calling All Neighbours, in partnership with Mirvish Productions celebrate this great Canadian spirit with a song that invites you into this magnificent story of Come From Away.
