

Braxton Manufacturing Company Inc.

858 Echo Lake Road, Watertown, CT 06795
2641 Walnut Avenue, Tustin, CA 92780

March 22, 2021

Dear Valued Customers,

Concerning Conflict Materials, the Wall Street Reform and Consumer Protection Act, the EU REACH Directive, CL17 materials list that pertains to REACH, EPA's TSCA (Toxic Substances Control Act) Section 6(h), and CA P. 65, DFARS (Defense Federal Acquisition Regulation Supplement), and presence of the following: styrene, animal-derived materials, latex, and phthalates.

The Braxton Manufacturing Company Inc. purchases materials to produce their customer's products from domestic sources and to our customer's specifications. We expect our customers who require compliance to the fore mentioned directives and presence of the above noted materials to maintain these specifications to be compliant. We have also surveyed our suppliers regarding these directives and obtained compliance letters.

Therefore, the Braxton Manufacturing Company, of Watertown, CT and of Tustin, CA, to the best of our knowledge, as of March 22, 2021, complies with the requirements of REACH, ROHS, SVHC, CL17 materials list that pertains to REACH, EPA's TSCA (Toxic Substances Control Act) Section 6(h), and CA P. 65, DFARS (Defense Federal Acquisition Regulation Supplement), and Conflict materials. Furthermore, we do not manufacture products containing styrene, animal-derived materials, latex or phthalates.

We will continue to monitor our supply base and advise if changes occur.

Sincerely,

Thomas R. Ordway
President and C.E.O.
Braxton Manufacturing Company Inc.
