344 

Firefly Chats Attendees

These interactive virtual discussions explored issues facing the pediatric palliative care community in PA and beyond.

24 

Collaborative Partnerships

PPCC's continued and proactive efforts increased the number of partnerships with local, state and national organizations.

Mission

PPCC's mission is to provide resources to families, volunteers and medical professionals caring for children with life-limiting illnesses.

Vision

A future where all children diagnosed with life-limiting conditions in Pennsylvania will have access to world-class palliative, hospice and end-of-life care.
