

A simple platform
to rule them all!

So, what can you do with Omnichannel?

Omnichannel is the best tool you can give your customers for them to communicate through different social media channels with their clients. Web chats, SMS, WhatsApp, Twitter & Facebook messages are managed in the same web portal.

What else can you do?

Get an **additional \$250 bonus** on Q4 for every new omnichannel account!

Q4 Promo

1X = 1 yr term & m2m
