A PANEL STYLE EVENT WITH AUDIENCE PARTICIPATION Q&A

REGINA SEXTON

FESTIVE FOOD OF AN IRISH HALLOWEEN

Food was central to the festival with very particular functions and roles beyond the enjoyment of consuming celebratory dishes. Food and how it was used and treated at Halloween was almost akin to magic and this presentation will explore all these aspects in time for Halloween...there might even be recipes.

MELISSA SHIELS

SAMHAIN TRADITIONS OF THE 19TH & 20TH CENTURIES

Melissa will look at replica Halloween masks and homemade items thought to keep people safe at this time of year. The wide range of marriage divination practices - often involving food - traditionally carried out on this spooky night will also be explored.

JESSICA DE BURCA

THE TRADITIONS & REMEDIES OF MEDIEVAL TIMES ASSOCIATED WITH HALLOWEEN

Jessica will be talking about herbal remedies, religious practices for wellness and dipping into medieval beliefs. To celebrate the Halloween theme she will be focusing on Volva – the Viking Seeress, the medieval Wyse Woman and the Irish Bean Feasa with a hint of Cailleacha for the witching season.
