Examiner:	Andy Harris

I declare that on the above date the equipment described in this report was thoroughly examined and found free from any defect likely to affect safety unless stated otherwise. A test certificate or certificate of conformity should be held on file. NOTE: The date by which the next thorough examination should be completed specified above is subject to the equipment being properly used and normal maintenance being carried out. For this purpose, normal maintenance means such maintenance as it is reasonable to expect the user/owner to ensure it is carried out independently of any advice from the competent person making the examination.
