E7 - A7 - E7 - B7 - E7 - A7 - F#7 - B7 - E7

E7 *A7*
 Now now Lord, You don't have to move that mountain
E7 *B7*
 But give me the strength to climb
E7 *A7*
 Lord God almighty don't You take away the stumbling blocks
F#7 *B7* *E7*
 But lead me all around

VERSE 1:

The way may not be easy
 Lord You did not, You didn't say that it would be
 For when our tribulations get a little too light and easy
 We tend to stray away from Thee

VERSE 2:

All of our cares, we bring before You
 You told us Lord, that we could
 Oh yes and You're faithful, You promised You would help us in our need
 And we believe You always would

_to CHORUS
