

# My Lament

## VERSE 1

Folks say what they wanna say  
When they really need to say nothing  
They need to say nothing at all  
People wait when they really need to move  
And the waiting they do  
Makes them really do nothing at all

## CHORUS 1

I'm sad about the days we're living in  
I'm hurt and falling to my knees again  
I'm broken by the sin of this world  
I'm winded by the fight  
My lament is why I cry

## VERSE 2

What's going on with the people right now  
Many fuss and fight  
When we need to shine the light of love  
But we see what we wanna see  
We know what we need to be  
We need to be the light of love

## CHORUS 2

I'm sad about the days we're living in  
I'm hurt and falling to my knees again  
I'm broken by the sin of this world  
I'm winded by the fight  
My lament is why I cry

## REFRAIN

Keep going, keep moving  
Though the tears may fall  
We ain't giving up, no  
We aint giving up no no  
These afflictions may ache  
As the way gets weary  
We know we are not alone  
We ain't giving up, no  
We ain't giving up, no no

## CHORUS 3

I'm sad about the days we're living in  
I'm hurt and falling to my knees again  
I'm broken by the sin of this world  
I'm winded in the fight  
My lament is why I cry

## REFRAIN

Keep going, keep moving  
Though the tears may fall  
We ain't giving up, no  
We aint giving up no no  
These afflictions may ache  
As the way gets weary  
We know we are not alone  
We ain't giving up, no  
We ain't giving up, no  
We ain't giving up, no  
We ain't giving up, no no
