My Lament

VERSE 1
Folks say what they wanna say
When they really need to say nothing
They need to say nothing at all
People wait when they really need to move
And the waiting they do
Makes them really do nothing at all

CHORUS 1
I'm sad about the days we're living in
I'm hurt and falling to my knees again
I'm broken by the sin of this world
I'm winded by the fight
My lament is why I cry

VERSE 2
What's going on with the people right now
Many fuss and fight
When we need to shine the light of love
But we see what we wanna see
We know what we need to be
We need to be the light of love

CHORUS 2
I'm sad about the days we're living in
I'm hurt and falling to my knees again
I'm broken by the sin of this world
I'm winded by the fight
My lament is why I cry

REFRAIN
Keep going, keep moving
Though the tears may fall
We ain't giving up, no
We aint giving up no no
These afflictions may ache
As the way gets weary
We know we are not alone
We ain't giving up, no
We aint giving up, no
We aint giving up, no no

CHORUS 3
I'm sad about the days we're living in
I'm hurt and falling to my knees again
I'm broken by the sin of this world
I'm winded in the fight
My lament is why I cry

REFRAIN
Keep going, keep moving
Though the tears may fall
We ain't giving up, no
We aint giving up no no
These afflictions may ache
As the way gets weary
We know we are not alone
We ain't giving up, no
We aint giving up, no
We aint giving up, no no
