

We Are Family

May 20 & 21, 2023

1. When you honestly think about your primary identity, what seems to pop into your head first?

Read Galatians 3:23-4:31

2. Take some time to consider the caretakers you had in your life as a child. What kind of influence did they have in your formative years?
3. **Verse 27** says we were baptized with Christ and clothed with Christ. What implications does this have for how you live and how God sees you?
4. Where do you most vividly see division in the church between groups of people? Take time to pray for unity.

5. When have there been moments where you doubted whether you were indeed saved or in Christ? How did you handle that season and where did you find comfort?
6. What parts of your old life are you most tempted to run back to? How is following Christ better for you?
7. How comfortable are you with calling God Father/Dad? How have you struggled with seeing God as a reflection of your father versus the perfection?
8. In your group, what are some areas in which you all could grow in the ways you care for and hold each other accountable to the calling of Christ on your life?
9. Where have you settled for less than God's best for you in your past? How has God redeemed those moments?
10. What does it mean to you personally that you have been adopted by God as His son or daughter?
