

# In Case of Injury

## WORKERS' COMP CLAIMS QUICK START GUIDE

### EMERGENCY

**Call 911**

Send the injured worker to the nearest urgent care facility or panel physician provided by Normandy, depending on state regulations.

### Request post-accident drug test

Call or contact the medical provider and request a post-accident drug test. Normandy Insurance will cover 100% of the cost.

### Report all injuries ASAP!

No time? With basic Employer and Injured Worker contact information, and your brief description of the incident, we'll take it from there. Never wait to report a claim because of missing information. We'll collect it for you.
