"Horses are an element of community development" – this was the slogan of the International Horse Festival in El Jadida in Morocco, under the patronage of His Majesty King Mohammed VI. It also included the 22nd edition of the Salon Du Cheval in El Jadida, held on October 19-20th.

The show returned after a two-year hiatus caused by the pandemic, and the organizers made sure that it was an event that would continue the successes and achievements of previous years. The title conference that accompanied the horse show, as well as an exposition organized on a grand scale in the educational park, focused on showing the cultural relations of Moroccans with the horse. The use of horses was exhibited in various religious, family and national celebrations, as well as in ceremonies organized in the field of agricultural seasons or state celebrations. The whole exhibition and conference were aimed at showing the great cultural value of horses generating various social and economic activities. It was very eloquently emphasized that the horse and its use are related to social and economic development, and efforts were made to show various examples of this throughout, with the parade and great care, the entire event.

The organizers emphasized that the aim of the event is to promote the breeding and equestrian sector at the national level, and therefore prepared a rich and varied program including the characteristic Thoubou matches, Arabian horse (Sharh) A-walk, the Berber Horse Cup, the Arab Horse Horse Cup, and the equestrian trials of the Moroccan Royal League and competitions for children. In addition, the exhibition hall hosted many recreational, art and sports activities, as well as an integrated program to promote equestrianism. Educational and entertainment workshops for the public were also organized. The aim of which was to learn about Moroccan cultural heritage related to horses. During the day, as well as in the evening, there were shows of various equestrian arts with the participation of top class competitors. The organizing committee indicated that the main emphasis of the event was to hold cultural and scientific seminars, necessary for the exchange of experiences among researchers, scientists, students as well as those interested in horse riding.

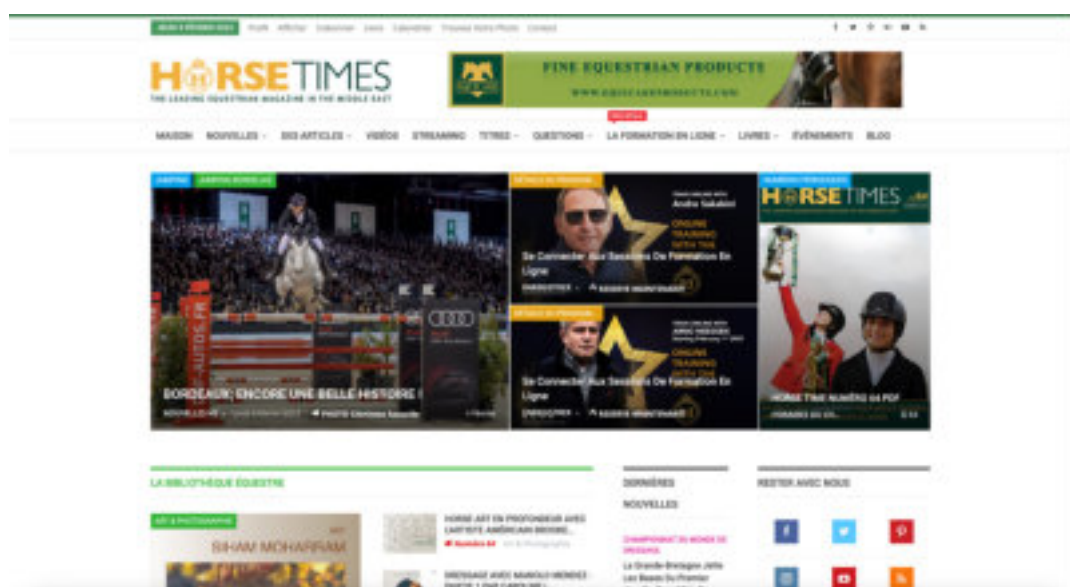

Dr. Habib Marzag, representative of the Salon Du Cheval, confirmed that the exhibition is under the special care of His Majesty King Mohammed VI. Dr. Marzag concluded: – Today the Festival is an international event that highlights the great interest of Moroccans in horses, an interest embedded in scientific, cultural and professional work offered to the public and private sectors. Hundreds of people and equestrian enthusiasts use a huge number of Berber, Arabian and English horses and harness from innumerable amounts.

Under the High Patronage of His Majesty King Mohammed VI, the El Jadida Horse Show has been contributing, since 2008, to the development of the Moroccan equine industry. Internationally, the Salon du Cheval d'El Jadida has acquired indisputable notoriety. It is one of the most famous Horse fairs in the world. The richness of its programming, as well as the opportunities for professional meetings that it offers, will make it, once again, an unmissable event in the international equestrian calendar.

A big thank you to [@thephotoagencyanddesign](#) for the beautiful photos.

Thank you to [@engassalons](#) for being the photo sponsor of this year's Salon du Cheval d'El Jadida. We have been thankful to the King of Morocco for his long-term support of equestrian sports for the Arabian Breeders World Cup.

Scottsdale 2022 Highlights with AHAA Executive Director Taryl O'Shea

June 01, 2022

2022 Scottsdale Champion Platinum Performance \$50,000 Liberty Breeze (Khantheda x Boudabakalantay), presented by Shan Wilson, owned and bred by Earleen Walter, West Des Moines, Iowa.

2022 Scottsdale Reserve Champion Platinum Performance \$15,000 Liberty Partial SBA (Fouadilur EA x SF Marahamini), presented by Katie Kistner, owned by Dorothy Holquist, Abilene, Texas.

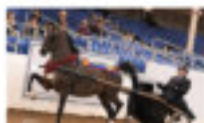

Stephen Bishop and his 13-year-old Arabian gelding "Guinea," Khasta Beaujaleix DT (Khasanova DT x Starberry Wine).

Keith King and Freckles.

2022 Scottsdale Champion Celebrity Equine Caretakers Chorus Hagar (Grape Choke x LC Felicia), ridden by Paris Robinson, bred and owned by Roland Lewis, Kemmerer, Wyoming.

The show is in the books. Now that Executive Director Taryl O'Shea has recovered, she shared with us some of her favorite moments of the show...and not all of them happened inside the ring. And English judge John Lambert reflects on his Scottsdale highlights.

Please give us numbers of horses and entries for this year's show compared to last year.

Total number of horses competing - in 2022 we had 2,080 competing. In 2021 there were 2,080 horses.

Commercial Exhibitors were very happy this year. Although we were down in total vendors, many of them reported that this was the best show they had ever had. The Shopping Expo was busy and everyone seemed very happy with the show this year.

The SSS Auction was a wonderful success; we sold breedings to over 166 stallions. Results were:

2022 SSS Auction Total = \$391,233.65
2021 SSS Auction Total = \$290,700.00

2022 SSS Stallion Nominations = 165
2021 SSS Stallion Nominations = 162

2021 SSS Mare Nominations = 726
2020 SSS Mare Nominations = 638

2021 Gelding Incentives = 376
2020 Gelding Incentives = 332

What new classes were offered this year, and why?

The Arabian Halter Association \$10,000 In-Hand Trail Extravaganza for Two-year-old Fillies/Colls & Geldings - this class was created to encourage exhibitors to get their two-year-olds out into the showing and to do something a little different. The prize money attracted many new people to the show and gave the non-halter horses a special class where they had to perform through an in-hand trail class.

Your personal favorite moments?

Some of the special moments were Hoofbeatz Immersive Arabian Horse Experience, Friends of Vail Scholarships, and the Leadline classes.

Everyone's favorite competitor was Stephen Bishop and his 13-year-old Arabian gelding "Guinea," Khasta Beaujaleix DT (Khasanova DT x Starberry Wine). They made a splash at the 2022 Scottsdale Arabian Horse Show becoming an online sensation! This dynamic duo showed in 21 classes across multiple divisions, winning Top Tens in reining and the "Fan Favorite" award during the Arabian Costume ATR.

Please share with us the sweet story of Keith King and the late Vicky Bowman's dog Freckles.

We know that many amazing friendships develop at our horse shows but this one is a very special one between a man and Vicky Bowman's dog.

Keith King has worked the show for ProEm Security for three years, always near the north road horse crossing. The first year, he was on the north side of the horse crossing, in front of the Burkman stalls, where Vicky Bowman used to stable. Each day Vicky's dog Freckles came out and spent the day with Keith. The following year Keith was assigned on the opposite side of the crossing. Freckles continued to come out each day to see him. Now that Vicky is gone, Freckles seeks Keith out first thing in the morning and spends the day with him. Freckles knows which truck Keith drives and comes out as soon as he pulls in. When it's cold out, Keith puts the dog in his truck to stay warm. When she wants to come back out, she pops her head up and he lets her back out. Keith brings a blanket and some toys for Freckles and

INTERNATIONAL ARABIAN HORSE SHOW EL JADIDA

CLASS A SHOW

 **SALON DU CHEVAL
D'EL JADIDA**

text and photos by Sunny Sassudelli

INTERNATIONAL AHS - EL JADIDA

*The Ecaho A show in Morocco was held in the large main arena of one of the most important equestrian fairs in the Mediterranean: the Salon du Cheval d'El Jadida. This highly diversified fair is held under the patronage of King Mohammed IV and is in its 13th edition this year. It welcomes visitors with the unmistakable ocean breeze and in a multicoloured atmosphere, between the final of the colourful and traditional Tbourida and a 4*W jumping competition, with stands from many Central African countries and many European companies.*

The slogan of the International Horse Festival is 'The horse is an element of community development' and this proved to be a reality for the event, as many activities focused on introducing visitors to all aspects related to the horse, such as the Cavalry Army, the Veterinary Faculty, traditional horse riding, the history of the relationship between horse and people in Morocco, etc. This is why so many students filled the pavilions, the desire to pass on the cultural heritage to new generations seems to be at the heart of the fair. It was surprising to see many children also attend the Arabian horse show and welcome the competitors, something we are no longer used to seeing in our communities and which contributed to keep the atmosphere pleasant.

An important part of the event was the gala dinner in an exclusive area of the Mazagan resort for all the breeders, officials and sponsors, where not only traditional delicacies were served, but all the main institutional offices involved were honoured, including the UAE sponsors who contributed with a goal of cooperation to this and future events, and the AHO officials who organised the national Arabian horse show held the day before the international event.

Special thanks go to the team of capable women who worked tirelessly behind the scenes, coordinated by Dr. Mohamed Machmoum, to make this event functional down to the smallest detail, from the VIP area to the show secretariat.

WINTER 2023

THE LEADING EQUESTRIAN MAGAZINE IN THE MIDDLE EAST

AFTER TWO YEARS OF CANCELLATIONS
DUE TO COVID-19

THE SALON DE CHEVAL D'EL JADIDA

**MAKES A REMARKABLE
RETURN THIS YEAR**

By Menna Loutfy

SINCE 2008, THE ASSOCIATION OF THE SALON DU CHEVAL HAS ORGANIZED THE SALON DU CHEVAL D'EL JADIDA IN OCTOBER OF EVERY YEAR, PRESIDED BY CHARIF MOULAY ABDELLAH ALAOUI AND HELD UNDER THE HIGH PATRONAGE OF HIS MAJESTY KING MOHAMMED VI IN MOROCCO.

Held under the theme of The Horse Factor of Territorial Development, the amazing exhibition aims to support and encourage to the development of the equine industry in Morocco as well as contribute to the promotion and protection of the Moroccan rich intangible equestrian heritage.

Over the years, the exhibition was able to impose its impact and presence within the professional circles as an unmissable annual meeting for horse lovers around the world and especially the **Middle East**.

A variety of fun activities related to the horse are included in the program, where high-level national and international competitions and exhibitions are organized: the International Barb Horse Championship, the Champions' Cup for Arab-Barb Horses, International Arabian Horse Show "A", and **The Moroccan Arab horses breeders' cup**.

And of course, the cherry on-top is always the **Grand Prix** of **His Majesty King Mohammed VI** of Jumping in the category of four stars, that is the third leg of the **Moroccan Royal Tour** which has a world cup qualifier that also attracts top world riders.

On this year's **2022** Edition, more than **100** exhibitors were in part of the exhibition presenting different countries, more than **1000** horses were part of the whole spectacle, that included jumping horses, tbourida horses, pure Arab blood horses as well as Arab Barb horses. The traffic was beyond expectations with **220k** national and international attendees.

"Since the organization of the first edition in 2008 and thanks to the efforts made, the Salon du Cheval d'El Jadida has become a major equestrian event for the enhancement and promotion of the equine sector in Morocco and an illustrious meeting to highlight our rich cultural heritage related to the horse, and an opportunity to express Moroccans' deep attachment to these noble creatures."

For professionals, the **Salon** is a great meeting point and exchange of experiences between the various actors in the equine sector.

Internationally, the **Salon du Cheval d'El Jadida** has acquired an indisputable notoriety. It is one of the most famous Horse fairs in the world. The richness of its programming as well as the opportunities for professional meetings that it offers will make it, once again, an unmissable event in the international equestrian calendar.

We will be very happy to welcome and to see again the professionals, the sponsors, the craftsmen,

the speakers, the riders of **Tbourida**, the riders of the national and international equestrian sports at the **Mohammed VI Exhibition Park of El Jadida** for another **Salon**, richer and more successful”_ **Charif Moulay Abdellah Alaoui - Chairman**

“The general organization of the event and its programming will, once again, highlight the rich equine cultural heritage of our country and the multiple uses of the Horse such as sports, festive or cultural levels.

The public thus had an appointment, once again this year, with competitions that represent, the reputation of the **Salon du Cheval d'El Jadida**, like the Champions' Cup for Barb Horses, the International Arabian Horse Show “A”, the International Jumping **CSI 1 *** and **CSI 4*W**, **3rd** stage of the **Morocco Royal Tour (MRT)**, as well as the **Moroccan Arab-Horse Breeders 'Cup**. The best Sorbas in the country are also present in the **Grand Prix of His Majesty King Mohammed VI of Tbourida**.

This edition coincides with the inscription of Tbourida in the representative list of the intangible

cultural heritage of the United Nations Educational, Scientific and Cultural Organization **"UNESCO"**.

Cultural and scientific aspects are not overlooked because the horse breed is also highlighted during many conferences, as well as in many fun games dedicated to children who receive particular attention from the Salon, given that the transmission of our equestrian traditions to new generations is one of the Salon du Cheval's missions.”_ **DR. El Habib Marzak - Commissioner** 🏆

– First place for Elia Baumann in 4* 1.40m class El Jadida

Regio 21-10-2022

The top five of the first 4 class of the day in El Jadida couldn't be closer together. With a difference of less than a second between gold and fifth place, any wider turn was punished. In the end, the victory went to the Swiss Elia Baumann on the back of Clintfino (Clinton).*

Baumann sent the 12-year-old gray gelding Clintfino through the second phase of the 1.40m in a sharp time of 25.28 seconds, and thus won the gold. The German David Will stopped the chrono at 25.61 seconds with Mexico (Level) and conquered the second place. Exactly 10 hundredths after Will, Roberto Turchetto also finished clear, scoring the bronze in the saddle of the 10-year-old KWPN gelding Hurricane VDL (VDL Zirocco Blue).

At 20 hundredths from the podium, Dutchman Niels Kersten placed fourth on High Hopes SEN (Numero Uno), ahead of compatriot Leon Thijssen on the back of Zeppe Blue (VDL Zirocco Blue).

INTERNATIONAL: Macken champions Morocco

Ruth Loney reports from the second stop on the Morocco Royal Tour in Rabat

Susanne Macken, President of the Ground Jury at the Morocco Royal Tour in Rabat \ Stefano Grasso/MRT 2002

PRESIDENT of the Ground Jury at last week's Morocco Royal Tour in Rabat, Susanne Macken is no stranger to Morocco. Macken was brought up as a child in the city and became a great supporter of the Royal Moroccan Federation over the years, encouraging every aspect of the sport.

Susanne has seen the Royal Morocco Tour evolve into a leading world venue and follows the success of each rider on the global stage. "I have the added advantage of speaking fluent French having been brought up in Rabat where my parents were based, although I was born in Ireland.

"I can't praise the organisers of the Morocco Royal Tour enough. When the lorries of horses arrive from Europe into Tangier, all the paperwork is taken care of and there is a police escort from venue to venue. Everything is organised professionally and the hospitality and facilities at Tetouan, Rabat and El Jadida are five star," commented Susanne.

"Show jumpers love the fact they can bring their one star horses and four star horses to Morocco which boasts no less than 18 CSI1* events and 20 CSI4* events, including 13 counting towards Longines FEI rankings. The three CSI4* Grand Prix events are qualifiers for the Longines FEI World cup Arab North African League."

Susanne followed a clockwork timetable at Rabat where international starter Pedro Cebulka ensured each horse was in the arena to schedule suiting the live TV coverage.

"Each show in each city has its own style. Here in Rabat, like Tetouan and El Jadida the stables, the arenas, the hospitality is second to none. Germany winning the Nations Cup and El Ghali Boukaa winning the World Cup made fantastic spectator sport. Riders who come here in their droves love it."

German winners

Dietmar Gugler, chef d'equipe of the winning German team in Rabat, said it was the first time Germany travelled to the venue as a team. He praised Rabat for its high standard and hopes they make it a five star show next year. "We were very happy how everything went, how the horses were taken care of the facilities, the ground which is very important for us, the organisation made it a very pleasant stay here. It has a high European standard.

"Our horses were here to get experience for the bigger stuff and winning a four star Nations Cup is for sure a door opener. I would like to come again and I hope these guys take me again as chef d'equipe. These guys never give up they really want to win, they said there is a chance and they came through and won."

The Moroccan riders were a force to be reckoned with at all levels in Rabat taking fourth from 10 teams in the Nations Cup with chef d'equipe Philippe Le Jeune. Finishing on a total score of 24 they had a team of really well-bred horses.

El Ghali Boukaa from Casablanca was man of the moment when he partnered the Diamont de Semilly x Cabdulla du Tilard mare A Kyss to win the World Cup Grand Prix Sar La Princess Lalla Amina from 40 starters.

PONY TALES: Carol enjoys Morocco

Carol Gee made her first visit to the Morocco Royal Tour where Portugal's Duarte Seabra was competing on two of her horses

Carol Gee of Fernhill Sport Horses pictured with the Portuguese team in Rabat. It was Carol's first visit to the Royal Moroccan Tour where Duarte Seabra (seated right) rode two of her horses \ Ruth Loney

IRISH riders may have been absent from the Morocco Royal Tour this year but one Irish owner was Carol Gee of Fernhill Sport Horses who attended the four-star show in Rabat where her two horses - Fernhill Holly Chai (Chai D xQuinta da Hermida) and Dourados 2 (Diarado x Cornet Obolensky) – were ridden by Portugal's Duarte Seabra.

Carol also had horses which she sold competing in the five-star Maryland Horse Trials in the USA the same week and was watching on video as she was on hand to assist Seabra, her long time show jumping rider.

"This is a wonderful four-star show," she said. "The facilities are high end, the hospitality and organisation is superb, so much so that I am bringing a full lorry of horses for next year and am doing the three shows: Tetouan, Rabat and El Jadida.

"The tracks here are excellent and so is the footing. I have seen only top-class horses and excellent riders. This is one circuit which is a must to compete on. The stabling is fantastic, the show does all the paperwork and everyone is well looked after."

Carol, who sold the Tokyo Olympic Games horse Kilkenny to Cian O'Connor, was equally delighted when news came through from Vejer that he had won the Grand Prix. "I bought Dourados 2 from Cian. He is a grey nine year old gelding by Diarado and has so much scope we are delighted with his performance here."

Seabre, who produced Kilkenny, added: "Dourados has performed very well in Rabat and our plan is to return to Vejer de la Frontera, then head to Vilamoura and eventually Madrid and La Coruna. Carol is a fantastic owner and follows her horses wherever they compete. Dourados is my Nations Cup horse and loves the courses here in Rabat."

Abdelkebir Ouaddar & Istanbul VH Ooievaarshof Shine the Brightest Again on Home Soil!

Ej Jadida, Morocco - October 21, 2022 -To the delight of the public in Ej Jadida, the Moroccan **Abdelkebir Ouaddar** (MAR) and **Istanbul VH**, **Ooievaarshof** have struck again hard. While the main event of the day, the €25,500 MAPM/SOREC Prize CSI 4*-W, seemed to be promised to the runner-up, the Belgian **Jérôme Guéry** (BEL), Kebir arrived, galloped, and won with a comfortable lead, claiming top honors aboard the 2008 bay Belgian Warmblood stallion (Casall x Calido I) in 61.24 seconds. The hero of Moroccan equestrian sports rarely disappoints when he is at home.

Jérôme Guéry (BEL) & Azaria Dinero

Jérôme Guéry (BEL) and **Azaria Dinero** (Mylord Carthago*HN x Drakkar des Hutins) had to settle for second despite a valiant penalty-free performance in 62.53 seconds.

Francisco José Mesquita Musa (BRA)

Francisco José Mesquita Musa (BRA) and Catch Me Marathon (Contagio x Werther) completed the podium with no penalties in 63.46 seconds.

The management of the **Morocco Royal Tour** does things delicately. After two weekends under the generous sun of Tetouan and Rabat, the international riders are invited to compete in the last stage in an indoor arena, in the flamboyant facilities of the Mohammed VI Exhibition Park of El Jadida where the **Salon du Cheval** is held at the same time. It is as if the MRT wanted to progressively reacquaint the riders, especially the European ones, with the indoor competitions of the winter season, which was launched last week in Oslo with the first stage of the World Cup for the European League.

Fortunately, there is still the possibility to train the horses in the morning at the beautiful outdoor arenas and enjoy the warm autumn rays for three more days before joining the large indoor arena where the German course designer **Peter Schumacher** (GER) works this weekend.

As every day at the MRT, four daily classes are on the program: two "one star" (won by Moroccan Mouhcine Yakhou - Gido - and French Guillaume Savineau - Belle de Muze) and two "four stars".

After the Swiss victory of Elian Baumann (Clintfno) in the two-phase speed class (1.40 m), the Prix ANCFCC, the main class counting for the world ranking, the Prix MAPM/SOREC also served as a qualifier for Sunday's Grand Prix which counts for the Arab League of the FEI World Cup. This Faults & Time class saw another fantastic victory for Abdelkebir Ouaddar and his Istanbul V.H. Ooievaarshof, who beat the reigning world vice-champion, the Belgian Jérôme Guéry, by more than a second and a half. Simply breathtaking!

Final Results - €25,500 MAPM/SOREC Prize CSI 4*-W

Morocco Royal Tour de Rabat © Adèle Vaupré

Après deux années d'absence, la tournée du Morocco Royal Tour fait ce mois-ci son grand retour pour trois week-ends de compétition à Tétouan, Rabat et El Jadida. La semaine dernière, la rédaction de L'Eperon Hebdo a déserté la grisaille française pour une escapade sur l'étape de Rabat. L'occasion idéale de lier tourisme et sports équestres, le tout sous un soleil revigorant.

Créé en 2010 sur « *Hautes instructions de Sa Majesté Le Roi Mohammed VI* », le Morocco Royal Tour est une tournée de trois concours internationaux de saut d'obstacles répartis sur trois week-ends consécutifs. Tous les ans, au mois d'octobre, nombreux sont les cavaliers des quatre coins du monde à mettre l'événement marocain à leur calendrier, à l'instar du Français Simon Delestre, qui vient à chaque édition. « *J'adore l'ambiance de ce concours, et j'ai des propriétaires marocains avec qui j'entretiens de très bonnes relations.* » Dietmar Gugler, chef de l'équipe allemande, évoquait même « *un concours avec des standards européens en termes de qualité des prestations* ».

À trois heures de vol de Paris, avec des départs aussi bien d'Orly que de Charles de Gaulle en fonction de la compagnie aérienne choisie, la capitale marocaine de Rabat, inscrite au patrimoine mondial de l'humanité, fait valoir de nombreux atouts. Située au bord de l'océan Atlantique, elle permet de bénéficier en premier lieu, bien sûr, d'une météo plus que clémentine. Qui peut se targuer, en octobre, de profiter d'un grand soleil et d'une température moyenne de 30°C ? L'occasion de porter une dernière fois ses vêtements d'été avant de les troquer pour une doudoune et des chaussettes épaisses. Ensuite, Rabat est une ville idéale pour le tourisme, avec de nombreux monuments historiques, aussi dépaysants que magnifiques, de la tour Hassan à la kasbah des Oudaias, en passant par le Palais Royal. Aller à Rabat, c'est aussi profiter de ses nombreux jardins, aux styles différents, toujours parfaitement entretenus et qui offrent un véritable appel au calme et à la détente. Impossible également de faire étape dans la capitale sans passer par sa célèbre médina. Si les effluves de viande et de poisson rebutent généralement plus d'un touriste, ceux des épices et aromates attirent les foules. Et que dire des douceurs emblématiques du pays, à l'image des cornes de gazelles, pour lesquelles touristes et locaux font la queue devant les échoppes. Il ne faut pas hésiter à se perdre dans ce souk et déambuler au hasard, quitte à terminer sa promenade en dégustant un thé à la menthe sur l'un des restaurants des quais de l'embouchure du fleuve Bouregreg. Des souvenirs, il y en a pour tous les goûts. On n'hésite pas non plus à négocier les tarifs ! Au Maroc, la négociation fait partie du jeu.

Abdelkebir Ouaddar replace Istanbul sur la carte du Maroc!

Pascal Renaudon et Sébastien Roullier Varlamov JUMPING
21/10/2022 |

Pour le plus grand bonheur du public du Salon du cheval d'El Jadida, Abdelkebir Ouaddar et Istanbul van het Ooievaarshof ont encore frappé fort ce soir au Maroc. Alors que la première épreuve du CSI 4*-W semblait promise au Belge Jérôme Guéry, vice-champion du monde, le Marocain est venu, a galopé et a vaincu avec une confortable avance. Le héros de l'équitation marocaine déçoit rarement quand il est chez lui.

La direction du Morocco Royal Tour (MRT) fait les choses avec délicatesse. Après deux week-ends sous le généreux soleil de Tétouan et Rabat, les cavaliers internationaux sont invités à courir la dernière étape en *indoor*, dans les flamboyantes installations du Parc d'exposition Mohammed VI d'El Jadida où se tient en même temps le Salon du cheval. Comme si le MRT voulait réhabituer progressivement les cavaliers, européens notamment, aux concours en intérieurs de la saison qui a été lancée la semaine dernière à Oslo avec la première étape de la ligue d'Europe occidentale de la Coupe du monde Longines. Pour autant, il reste toujours la possibilité de faire travailler les chevaux le matin sur les belles pistes extérieures et profiter pour trois jours encore de la douce chaleur des rayons automnaux, avant de retrouver la grande piste couverte où œuvre ce week-end-ci le chef de piste allemand Peter Schumacher.

Comme tous les jours au MRT, quatre épreuves étaient au programme: deux de niveau CSI 1*, remportées par le Marocain Mouhcine Yakhoul sur Gido et le Français Guillaume Savineau sur Belle de Muze, et deux du CSI 4*-W. Après la victoire suisse d'Elia Baumann et Clintfino dans la Spéciale en Deux Phases à 1,40m, l'épreuve principale, cotée à 1,45m et comptant pour le classement mondial Longines, a également servi de qualificative pour le Grand Prix de dimanche qui lui, compte pour la Ligue arabe et maghrébine de la Coupe du monde. Disputée au barème A au chronomètre, elle a vu une nouvelle fantastique victoire d'Abdelkebir Ouaddar et son Istanbul van het Ooievaarshof, qui ont battu sans la moindre discussion possible le Belge Jérôme Guéry, vice-champion du monde en titre, avec plus d'une seconde et demie d'avance. Simplement époustoufflant!

Les Brésiliens Francisco José Mesquita Musa et Luciana Diniz se sont classés trois et cinquième sur Catch Me Marathon et Vertigo du Désert, encadrant Simon Delestre, quatrième sur Tinka's Hero. On a compté huit points pour Jeanne Sadran et Émeric George, associés à Dexter de Kerglenn et Diesel GP du Bois Madame, et vingt et un pour Charles Berthol et Can Tho d'Aunou.

Emanuele Gaudiano Goes Clear When it Matters to Win at the Morocco Royal Tour – El Jadida CSI 4*-W

El Jadida, Morocco – October 22, 2022 – A stage of the **Morocco Royal Tour** without a victory of the Italian **Emanuele Gaudiano** (ITA) is something unthinkable. Already winner twice in Tetouan with **Chacart PS**, the Italian riderman does it again in El Jadida with **Crack Balou**, this time on a "big" event... and hopes not to stop there.

It was not necessary to be clear to reach this winning round where the first ten of the initial round were invited. Only five couples left the crowded arena without dropping a single pole. Gaudiano was not one of them, which did not prevent him from winning this €52,000 **Prix CDG CSI 4*-W** the second most important class of the weekend and counting for the world ranking: "We had to go very fast today in this "jump-off", my horse jumped really well and it was not easy to come out on top in this winning round. I hope that it will go as well tomorrow in the Grand Prix", commented the Italian.

Emanuele Gaudiano (ITA) & Crack Balou

Indeed, the first four of the ranking were within a little more than a second and everyone believed, at the end of the class, in the success of the Swiss **Ellen Bauman** (SUI) and **Little Lumpi E**, who failed to win by a less than a second while the Belgian clan wanted to believe in the double of **Bart Clarys** (BEL) after a first victory in the afternoon with **Oscar Van Spievel** in the Prix FBR.

<https://jumpernews.com/2022/10/22/emanuele-gaudiano-goes-clear-when-it-matters-to-win-at-the-morocco-royal-tour-el-jadida-csi-4-w/>

But with **Geste van de Vihtha**, he was one second and eleven hundredths short of worrying the Italian who, in the end, did not have to regret his fault in the first round: "It was a very technical course which explains the numerous faults, but there were not so many horses at the start which explains the small number of clear rounds and that is what allowed me to reach the second round".

Tomorrow, the Italian and the 39 other contenders will compete in the World Cup stage, the Grand Prix His Majesty King Mohammed VI, starting at 4:00 pm and the second round at 5:30 pm local time. Here, after the victories of Abdelkadir Ouaddar in Tetouan and El Ghali Boukaa in Rabat, everyone hopes for a Moroccan hat-trick.

Le winning round d'El Jadida sourit à Emanuele Gaudiano

Pascal Renauldon et Timothée Pequegnot JUMPING
22/10/2022 |

Souvent très à son aise lors des différentes étapes du Morocco Royal Tour, Emanuele Gaudiano l'a une nouvelle fois prouvé en fin d'après-midi en remportant l'épreuve à 1,50m avec *winning round* du CSI 4*-W d'El Jadida avec Crack Balou. L'Italien a devancé Elian Baumann et Bart Clarys, qui montaient Little Lumpi E et Geste van de Vihta.

<https://grandprix.info/fr/53433/Le-winning-round-dEl-Jadida-sourit-a-Emanuele-Gaudiano/>

Déjà vainqueur à deux reprises à Tétouan avec Chaccart PS, Emanuele Gaudiano a remis cela à El Jadida aujourd'hui, mais cette fois dans une épreuve majeure du seul CSI 4*-W indoor du Morocco Royal Tour. Il n'était pas nécessaire d'être sans-faute pour accéder au *winning round* de la compétition la plus importante de la journée, dans laquelle les barres s'élevaient à 1,50m. En effet, dix cavaliers étaient invités à s'élancer dans le second acte alors que cinq couples seulement avaient conclu le parcours initial avec un score vierge de toute pénalité. D'ailleurs, le cavalier de Crack Balou lui-même avait écopé de quatre points lors de son premier passage.

Cependant, le Transalpin a su profiter du format de l'épreuve et réaliser le sans-faute le plus rapide du second acte pour s'octroyer la victoire aux rênes de son fils de Balou du Reventon. *"Il fallait aller très vite aujourd'hui dans ce 'barrage', a-t-il déclaré Emanuele après sa victoire. Mon cheval a vraiment très bien sauté et ce n'était pas évident de sortir vainqueur de cette manche gagnante. J'espère que cela ira aussi bien demain dans le Grand Prix."*

Quatre couples dans un mouchoir de poche

Au final, les quatre premiers cavaliers du classement se tiennent dans un peu plus d'une seconde et l'ensemble du public d'El Jadida a bien cru au succès du Suisse Elian Bauman, qui n'a échoué qu'à trois quarts de seconde de la tête avec Little Lumpi E. Le Belge Bart Clarys, lui, n'est pas passé loin d'un doublé après sa victoire dans l'épreuve à 1,40m disputée plus tôt dans la journée, mais il a finalement dû se contenter de la troisième place aux côtés de Geste van de Vihta. Lui aussi a profité du format de cette compétition où les compteurs étaient remis à zéro en seconde manche, puisqu'il avait écopé de quatre points lors de son premier passage. *"C'était un parcours très technique, ce qui explique les nombreuses fautes, a-t-il dit. Il n'y avait pas tant de chevaux que cela au départ, d'où le petit nombre de sans-faute, qui m'a permis d'atteindre la seconde manche."*

Côté français, Jeanne Sadran et Emeric George ont tous les deux écopé de huit points sur le parcours initial pour terminer dix-huit et dix-neuvième sur Unforgettable Damvil et Duo du Ru. Simon Delestre, quant à lui, a préféré jeter l'éponge avant de rallier la ligne d'arrivée en compagnie de Tinka's Hero.

Okt 2022

Es war der Höhepunkt des Wochenendes bei der Morocco Royal Tour in El Jadida, bevor es am morgigen Sonntag in den Weltcup Grand Prix geht – und die Latten war auch schon mal auf 1,50m hochgezogen: Das CSI4*-Weltranglisten-Springen wurde in der Siegerunde der zehn Besten aus dem Umlauf entschieden. Zwei, die aus dem Umlauf als schnelle Vier-Fehlerpunkte-Reiter herausgekommen waren, mischten dann im Finale ganz vorne mit. Den Sieg holte der immer schnelle Emanuele Gaudiano, der in der Siegerunde auf Crack Balou (v. Balou du Reventon) fehlerfrei nach 32,49 Sekunden ins Ziel kam. Platz zwei ging mit Doppelnulld an Elian Baumann auf Little Lumpi E (v. Lordanos) vor Bart Clarys auf Geste van de Vihta (v. Zirocco Blue), der zuvor auf Oscar van Sieveld (v. Castello Dv Helle) schon das Weltranglisten-Springen über 1,40m gewonnen hatte.

Auf Platz vier galoppierte Rene Dittmer auf Corsica X (v. Connor) fehlerfrei in 33,64 Sekunden ins Ziel, nachdem auch er sich durch einen schnellen Vier-Punkte-Ritt im Umlauf für die Siegerunde qualifiziert hatte.

17 Hundertstel fehlten Sophie Hinners mit Churchill (v. Cassito) nach einem Abwurf im Umlauf an der Qualifikation für die Siegerunde. Aber als Fünfte war sie ebenfalls noch im Geld.
