Tell-a-friend codes may be limited to specific Products among those offered on this Application.

The Owner reserves the right to end the offer at any time at its own discretion.

While no general limitation applies to the number of persons that can be invited, the amount of advantage or benefit that each inviting User can receive may be limited.

TERMS AND CONDITIONS OF SALE

Paid Products

Some of the Products provided on this Application, as part of the Service, are provided on the basis of payment.

The fees, duration, and conditions applicable to the purchase of such Products are described below and in the dedicated sections of this Application.

To purchase Products, the User must register or log in to this Application.

Product description

Prices, descriptions, or availability of Products are outlined in the respective sections of this Application and are subject to change without notice.

While Products on this Application are presented with the greatest accuracy technically possible, representation on this Application through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- By clicking on the checkout button, Users open the Stripe checkout section, wherein they will have to specify their contact details and a payment method of their choice.
- After providing all the required information, Users must carefully review the order and, subsequently, confirm and submit it by using the relevant button or mechanism on this Application, hereby accepting these Terms and committing to pay the agreed-upon price.

Order submission

When the User submits an order, the following applies:

- The submission of order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes, and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires active input from the User, such as the provision of personal information or data, specifications, or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes, and costs (including, if any, delivery costs) that they will be charged.

Prices on this Application are displayed:

- either exclusive or inclusive of any applicable fees, taxes, and costs, depending on the section the User is browsing.

Offers and discounts

The Owner may offer discounts or provide special offers for the purchase of Products. Any such offer or discount shall always be subject to the eligibility criteria and the terms and conditions set out in the corresponding section of this Application.

Offers and discounts are always granted at the Owner's sole discretion.

Repeated or recurring offers or discounts create no claim/title or right that Users may enforce in the future.

Depending on the case, discounts or offers shall be valid for a limited time only or while stocks last. If an offer or discount is limited by time, the time indications refer to the time zone of the Owner, as indicated in the Owner's location details in this document, unless otherwise specified.

Coupons

Offers or discounts can be based on Coupons.

If a breach of the conditions applicable to Coupons occurs, the Owner can legitimately refuse to fulfill its contractual obligations and expressly reserves the right to take appropriate legal action to protect its rights and interests.

Notwithstanding the provisions below, any additional or diverging rules applicable to using the Coupon displayed in the corresponding information page or on the Coupon itself shall always prevail.

Unless otherwise stated, these rules apply to the use of Coupons:

- Each Coupon is only valid when used in the manner and within the timeframe specified on the website and/or the Coupon;
- A Coupon may only be applied, in its entirety, at the actual time of purchase – partial use is not permitted;
- Unless otherwise stated, single-use Coupons may only be used once per purchase and therefore may only be applied a single time even in cases involving installment-based purchases;
- A Coupon cannot be applied cumulatively;
- The Coupon must be redeemed exclusively within the time specified in the offer. After this period, the Coupon will automatically expire, precluding any possibility for the User to claim the relevant rights, including cash-out;
- The User is not entitled to any credit/refund/compensation if there is a difference between the value of the Coupon and the redeemed value;
- The Coupon is intended solely for non-commercial use. Any reproduction, counterfeiting, and commercial trade of the Coupon is strictly forbidden, along with any illegal activity related to the purchase and/or use of the Coupon.

Methods of payment

Information related to accepted payment methods are made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases, related information can be found in the dedicated section of this Application.

All payments are independently processed through third-party services. Therefore, this Application does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed.

If payment through the available methods fail or is refused by the payment service provider, the Owner shall be under no obligation to fulfill the purchase order. Any possible costs or fees resulting from the failed or refused payment shall be borne by the User.

Virtual Currency for exclusive use inside this Application

On this Application, certain payments may be made using a Virtual Currency. Unless otherwise stated, such Virtual Currency is not tradable, exchangeable or redeemable against any traditional currency, any other open digital currency, goods or any other values.

By purchasing Virtual Currency, Users acknowledge and understand that it may only be used within this Application for the purposes expressly authorized by the Owner within the framework of its Services. Users also acknowledge and agree that they may not transfer, purchase, sell, or exchange such Virtual Currency outside of the Service.

Accordingly, Users may not sublicense, trade, sell or attempt to sell Virtual Currency for money, or exchange Virtual Currency for the value of any kind outside of the dedicated offering provided by the Owner through this Application. Any such prohibited use or transaction shall be considered null and void and could result in legal action being taken against the User.

In case of contract or account termination for any cause attributable to the User, any and all unused Virtual Currency shall be forfeited and no refund shall be granted.

Authorization for future PayPal payment

If Users authorize the PayPal feature which allows future purchases, this Application will store an identification code linked to the Users' PayPal account. This will authorize this Application to automatically process payments for future purchases or recurring installments of past purchases.

This authorization can be revoked at any time, either by contacting the Owner or by changing the user settings offered by PayPal.

Retention of usage rights

Users do not acquire any rights to use the purchased Product until the total purchase price is received by the Owner.

Delivery

Delivery subject to conditions

The delivery of certain Products, such as alcoholic beverages, restricted content or the like, may be subject to further conditions under applicable law, the Terms or any other related document.

Upon delivery of such Products, Users may be required to provide evidence or declare that such conditions – e.g. being considered an adult under applicable law – are met.

In such situations, failure to meet the conditions set forth by law or contract may make it impossible to deliver the Products.

Performance of services

The purchased service shall be performed or made available within the timeframe specified on this Application or as communicated before the order submission.

Contract duration

Trial period

Users have the option to test this Application or selected Products during a limited and non-renewable trial period, at no cost. Some features or functions of this Application may not be available to Users during the trial period.

Further conditions applicable to the trial period, including its duration, will be specified on this Application.

The trial period shall automatically convert into the equivalent paid Product, unless the User cancels the purchase before the trial period expires.

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over a determined period of time.

Paid subscriptions begin on the day the payment is received by the Owner.

In order to maintain subscriptions, Users must pay the required recurring fee in a timely manner. Failure to do so may cause service interruptions.

Subscriptions handled via Apple ID

Users may subscribe to a Product using the Apple ID associated with their Apple App Store account by using the relevant process on this Application. When doing so, Users acknowledge and accept that

- any payment due shall be charged to their Apple ID account;
- subscriptions are automatically renewed for the same duration unless the User cancels at least 24 hours before the current period expires;
- any and all fees or payments due for renewal will be charged within 24-hours before the end of the current period;
- subscriptions can be managed or cancelled in the Users' Apple App Store account settings.

The above shall prevail upon any conflicting or diverging provision of these Terms.

Termination

Recurring subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

Termination of open-ended subscriptions

Open-ended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document. Terminations shall take effect 7 days after the notice of termination has been received by the Owner.

Terms and conditions applying to extra features

Users that have an active subscription may purchase single extra add-ons or features, described in the relevant section of this Application.

Prices, duration, terms of use, and termination of such extras may differ from those of the main Product and, unless otherwise specified, do not influence the prices, duration, terms of use, and termination of the latter.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory cancellation right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **Regarding the purchase of goods**, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – takes physical possession of the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately or in case of purchase of a single good consisting of multiple lots or pieces delivered separately, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – acquires physical possession of the last good, lot or piece.
- **Regarding the purchase of a service**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of physical goods

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-days-period for returning the goods. The reimbursement may be withheld until reception of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

The costs of returning the goods shall be paid in advance by the User and reimbursed by the Owner upon providing appropriate evidence of the costs borne by the User.

...on the purchase of services

Where a User exercises the right of withdrawal after having requested that the service be performed before the withdrawal period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If required by applicable law, the Owner will specify the date by which the modified Terms will enter into force.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts.

In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or the impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Exception for European Consumers

However, regardless of the above, if the User qualifies as a European Consumer and has their habitual residence in a country where the law provides for a higher consumer protection standard, such higher standards shall prevail.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 21 days of receiving it.

For any dispute you have with The Owner, you agree to first contact us and attempt to resolve the dispute with us informally. ("JAMS") by arbitrators appointed in accordance with such rules. The award rendered by the arbitrator shall include costs of arbitration, reasonable attorneys' fees and reasonable costs for expert and other witnesses, and any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. Nothing in this Section shall prevent either party from seeking injunctive or other equitable relief from the courts for matters related to data security, intellectual property or unauthorized access to the Service. ALL CLAIMS MUST BE BROUGHT IN THE PARTIES' INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, AND, UNLESS WE AGREE

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over a determined period of time.

Paid subscriptions begin on the day the payment is received by the Owner.

In order to maintain subscriptions, Users must pay the required recurring fee in a timely manner. Failure to do so may cause service interruptions.

Subscriptions handled via Apple ID

Users may subscribe to a Product using the Apple ID associated with their Apple App Store account by using the relevant process on this Application. When doing so, Users acknowledge and accept that

- any payment due shall be charged to their Apple ID account;
- subscriptions are automatically renewed for the same duration unless the User cancels at least 24 hours before the current period expires;

- any and all fees or payments due for renewal will be charged within 24-hours before the end of the current period;
- subscriptions can be managed or cancelled in the Users' Apple App Store account settings.

The above shall prevail upon any conflicting or diverging provision of these Terms.

Termination

Recurring subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

Termination of open-ended subscriptions

Open-ended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document. Terminations shall take effect 7 days after the notice of termination has been received by the Owner.

Terms and conditions applying to extra features

Users that have an active subscription may purchase single extra add-ons or features, described in the relevant section of this Application.

Prices, duration, terms of use and termination of such extras may differ from those of the main Product and, unless otherwise specified, do not influence the prices, duration, terms of use and termination of the latter.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory cancellation right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **Regarding the purchase of goods**, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – takes physical possession of the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately or in case of purchase of a single good consisting of multiple lots or pieces delivered separately, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – acquires physical possession of the last good, lot or piece.
- **Regarding the purchase of a service**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract.

Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of physical goods

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-days-period for returning the goods. The reimbursement may be withheld until reception of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

The costs of returning the goods shall be paid in advance by the User and reimbursed by the Owner upon providing appropriate evidence of the costs borne by the User.

...on the purchase of services

Where a User exercises the right of withdrawal after having requested that the service be performed before the withdrawal period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

Liability and indemnification

EU Users

Limitation of liability for User activities on this Application

Users acknowledge and accept that the Owner merely provides Users with the technical infrastructure and features incorporated in this Application.

The Owner does not intermediate, moderate, promote or intervene in interactions, agreements or transactions between Users and therefore bears no liability for any such interactions among Users, including the performance of any Users' obligations.

Users, in particular, acknowledge and accept that the Owner is not involved in sales and purchases by Users qualifying respectively as Sellers or Buyers over this Application.

This means that Sellers and Buyers are solely liable for respectively offering and purchasing through this Application and for the obligations resulting thereof.

In particular, the Owner shall bear no liability for:

- any pre-contractual statement, claim or description of the Products offered through/via this Application;
- the existence of any applicable license, authorization, qualification or other official permit allowing Sellers to offer specific goods or services, as may be required by applicable law;
- the Buyers' eligibility (e.g. in terms of age, solvency etc.) for purchase according to applicable law;
- any obligation stipulated by Users over this Application, including but not limited to product guarantees and product safety;

- any claim based on partial, incorrect or failed performance of binding agreements entered into on this Application.

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar State and Territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms of Use, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

This Application is provided strictly on an "as is" and "as available" basis. Use of the Service is at Users' own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by user from owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful

components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at users own risk and users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorized access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorized access to or use of the Owner's secure servers and/or any and all personal information stored therein;

- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party. In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if company has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;

- User's wilful misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or terminate the Service altogether. If the Service is terminated, the Owner will cooperate with Users to enable them to withdraw Personal Data or information in accordance with applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" (eg. labor actions, infrastructural breakdowns or blackouts etc).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling programme.

Privacy policy

To learn more about the use of their Personal Data, Users may refer to the privacy policy of this Application.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User for the future.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service. Failure to accept the revised Terms, may entitle either party to terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If required by applicable law, the Owner will specify the date by which the modified Terms will enter into force.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject

matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts.

In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or the impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Exception for European Consumers

However, regardless of the above, if the User qualifies as a European Consumer and has their habitual residence in a country where the law provides for a higher consumer protection standard, such higher standards shall prevail.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for European Consumers

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in Switzerland, Norway or Iceland.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of this Application or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.
