Internship program

Our law firm is introducing its new **Internship Program**.

This Program aims to attract **talented students** who are completing a Bachelor's degree in law but also any other student who has a strong interest in legal-related topics.

Interns will be able to work between our **corporate and litigation** departments or only in the department in which they have the greatest interest.

We encourage a **diverse** applicant pool, welcome qualified applicants of all backgrounds, and award positions based on fair and open competition.

Applications are now open!

Internship Program - Experience

To give you an idea of what is involved in working with us, here are some examples of some legal issues and cases we deal with:

- Supporting company registrations for premier multinationals
- Litigation against major residential project in high value
- Pursuing cybercrime charges against a defendant on behalf of our client
- Assisting clients both foreign and domestic in setting up different types of entities, for example Thai Limited Company, BOI promoted company, company holding Foreign Business License covering various industries.

This will allow you to immerse and acquire knowledge regarding International and Domestic disputes as well as Business and Corporate related cases.

You will work in a diverse and international environment as the majority of our clients are foreigners, as are some of our employees.
