

Designed to create beautiful spaces.

Shercom Industries has a complete line of patio and walkway solutions to fit any space and any design. Similar to our landscaping products, we have designed our patios and walkways to be virtually maintenance free and easily cleaned. In addition to the aforementioned benefits, our patio and walkway products are durable, comfortable and non-slip. These paving tiles are versatile and can be used in countless ways in commercial and residential applications.

All Shercom products are non-toxic and non-flammable making them safe and eco-friendly for any outdoor space.
