

# Evite FAQ

## What is Evite?

Evite is the world's leading digital platform for bringing people together. Evite makes coming together effortless and more memorable for personal and professional events by offering thousands of digital invitations ready to send. They also offer greeting cards, announcements, eGift cards, Bitcoin gifts and party planning ideas.

## How does Evite work?

Hosts can choose from thousands of digital invitations or cards, customize their choice, and send their invitations/cards via email, text or social media. Planning and gifting options (including registries) are available to add right on the invitation, and hosts and guests can message each other with ease and stay updated.

## What services and tools does Evite provide?

- Free RSVP tracking
- Customization options
- Invitations and greeting cards for every occasion
- "What to Bring" sign-up lists
- Email, text & social media delivery
- Hand-illustrated, designer & animated templates
