AAC 101: STEP 2 TRAIN STUDENTS

1. Choose a book, video or song from the following 3 slides that is age appropriate or of interest to your student.

2. Tell the student what word you are learning today. Show (Model) them how to say the word using their form of communication.

3. Watch the video or read the book all the way through without models.

4. Watch the video or read the book again, this time showing them how to say the word “LOOK” each time you see it or hear it on the video (Model). This is just a model, *don't require them to do anything except notice you!*

5. Watch the video or read the book again, continuing to model the word “LOOK” for them. This time *pause after each model and WAIT*. See if the student will try it themselves. Make sure you wait long enough!

AAC 101: STEP 3 TAKE IN

Students observe the team (adults) using the word during typical daily activities. Use our examples or think of your own!

Art Class/Group

Adults model using the word “LOOK” during art class or group time. “Look at mine.” “Let me look”

Morning Meeting/Calendar

Adults model using the word “LOOK” during morning meeting or calendar time. “Look outside at the weather.” “Look here.” “Let me look.”

Life Skills or Hygiene

Adults model using the word “LOOK” teaching life skills or hygiene. “Look in the mirror.” “I look good!” “How do I look?”

STEP 3: TEAM CHALLENGE!

In the next few days...

Teamwork: All the adults work together to model the word “LOOK” 200 times in one day! How close can you get?

Like a watch, but for your finger, [Finger Counters](#) are an easy way to count your models!

Pick a 10-minute time slot once a day to use the words consistently with the student

Everything is more fun with a prize at the end! Once you hit your target each month, give yourself a treat! What reward do you want to work toward this month?

STEP 4: TRY IT!

Encourage your student to communicate using these handy tips!

This week we are going to use the Engagement Strategy: Use an "open facial" expression, smile, gesture and make eye contact with your student while expecting them to use their AAC system.

Keep an eye out for any time, during your 3 activities, that the student appears to have something to say that could include the word, "LOOK" then model it for them. For example, student reaches for more of a food item. Model, "Look at it?"

STEP 5: TALK

During the rest of the day the student is practicing using the target word to communicate in real situations.

Look at your daily schedule.

During each scheduled activity pick one time you could model and use the word “LOOK.”

Look for any opportunity during the day to model and expect the student to use the word “LOOK.”

Follow the student’s lead. If the word “LOOK” reflects something they are trying to say themselves, model and expect them to follow along! “I see you your work looks good!”
