Chairman's Message

Dear Shareholder(s),

I hope you all are safe in these times. Over this past year, we have remained focused on the safety and well being of our team members. We have prioritized better work-life balance and encouraged personal risk mitigation for our team members and their families. Majority of our team members continue to work remotely even today. Our team and cloud platform has helped our customers continue on their digital transformation journey to the cloud through peak disruptions caused by the pandemic. E2Eians have shown agility and dedication that has won the appreciation and incremental business from our customers.

We are extremely grateful to our team including the leadership, our customers, our Board members, and all our well-wishers & partners in the ecosystem, who have been supportive and maintained their continued trust in us.

IAAS and GPU Cloud Platform

E2E Networks helps SMBs build and scale their mission critical Compute workloads on the Cloud Platform by combining the power of Open Source with simplicity of our self-service cloud platform that allows setting up large scale infrastructure within hours and minutes.

Your Company intends to double down on its investments in the areas of cloud infrastructure for AI/ML and deep learning using GPUs. The E2E Cloud continues with a rapid transformation into a high end provider of cloud native infrastructures supporting common features of IAAS cloud platforms like auto-scale, container orchestration, VM image snapshots and re-use, DBaaS amongst many other features now considered essential for cloud native computing.

FINANCIAL PERFORMANCE

E2E's performance for fiscal 2021 has included nearly 40% growth in revenue terms. We have seen a month on month increase in the number of customers using our self-service platform.

LOOKING AHEAD

We are starting FY 21-22 with strong growth momentum and with much better visibility for future growth than we did last year, powered by the increase in the revenue and customer base during FY 20-21.

We are very excited about the increasing reliance on compute workloads on the cloud with an ever-growing total addressable market. As per IDC (PUBLIC CLOUD SERVICES SPENDING GUIDE JUNE 2020) the global IAAS market is set to increase to 84 Billion USD in 2024.

I am thankful for the trust you have placed in the company as we look forward to the next stage of our success.

Warm Regards,
Sd/-
Tarun Dua
Chairman & Managing Director

A Detailed analysis of the financial results is given in the Management Discussion and Analysis Report, which forms a part of this report.

FUTURE PROSPECTS:-

The cloud infrastructure market in India is one of the few sectors that has emerged strong amid the pandemic. With the outbreak of the pandemic and the nation's migration to virtual operations, the demand for secure, reliable, scalable, and cost technology services proliferated, leading to higher cloud adoption and cloud infrastructure spending.

The demand for e-learning, telemedicine, and remote working picked up on account of the growing application of cloud computing during the lockdown. Other sectors that have become highly dependent on cloud computing services are banking, financial services, and insurance (BFSI), and manufacturing.

BRIEF DESCRIPTION OF THE STATE OF THE COMPANY'S AFFAIRS

The Company offers a superior public cloud platform with great value to its customers. We provide Cloud infrastructure services through our cloud platform which can be accessed via our self-service portal available at link <https://myaccount.e2enetworks.com>. Our self-service public cloud platform enables rapid deployment of compute workloads. It enables Customers to provision/manage and monitor Linux/Windows/GPU Cloud Machines with high performance CPU, large memory (RAM) or Smart Dedicated Compute featuring dedicated CPU cores. Our instances are available from Indian datacenters located at Noida and Mumbai ensuring data locality for the critical India centered data.

IMPACT OF COVID-19 PANDEMIC ON OPERATIONS OF THE COMPANY

As of now, the Board believes that there is no material significant negative impact on its operations and financial position due to the Covid-19 pandemic and consequent lockdown in various parts of the world. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration, the impact may be different from that estimated as at the date of approval of this report. The Company will continue to monitor any material changes to future economic conditions and would keep the investors updated on material impacts due to this pandemic.

As per the current impact assessment done by the Company, following can be considered as the impact of this pandemic situation:

- i) Hardware Supply chain may get impacted due to general shut down in logistics due to lockdowns and price volatility may impact procurement.
- ii) Most Teams including sales are working from home currently and using online meetings to interact with each other and customers.
- iii) New products/features launches are impacted as priority is to service existing needs fully.

Your Company has a sound internal financial reporting and control mechanism and wherever applicable additional controls are being added to address the current situation.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Disclaimer: Certain Statements made herein describing the Company's expectations or predictions are "forward looking statements". The Company's results, performance or achievements can significantly differ materially from those projected via such statements. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply, changes in government regulations, tax regimes, economic developments and other incidental factors. The Company assumes no responsibility in respect of forward- looking statements that may be amended or modified in future on the basis of subsequent developments, information or events.

INDUSTRY STRUCTURE AND DEVELOPMENTS

From application software development to web servers, the cloud makes everything easily accessible and is an alternative to on-premise deployment. Cloud solutions provide more flexibility and better data management options, so has become inevitable for most organisations these days and new trends in the industry are growing in popularity.

Few trends in the industry that are expected to have a positive impact on the Company in 2021 are:-

- Cloud services being used for developing and storing mobile applications as it helps to avoid deploying complicated on-premise infrastructure.
- SMBs suffer from a dearth of IT talent to setup on-premise infrastructure from scratch which makes them particularly more amenable to using cloud infrastructure.
- Integration of AI and ML as it will improve the efficiency and speed of cloud computing. Moreover, with AI, companies will be able to automate tasks with more efficient handling of heavy workloads.

OUR BUSINESS, OUTLOOK AND STRATEGY

Your Company provides Infrastructure as a service (IaaS). It is a cloud computing offering in which a vendor provides users access to computing resources such as storage, networking, and servers. Organizations use their own softwares and applications within a service provider's infrastructure.

We provide Cloud infrastructure services through our cloud platform which can be accessed via our self-service portal available at link <https://myaccount.e2enetworks.com>. Our self-service public cloud platform enables rapid deployment of compute workloads. It enables Customers to provision/manage and monitor Linux/Windows/GPU Cloud Machines with high performance CPU, large memory (RAM) or Smart Dedicated Compute featuring dedicated CPU cores. Our instances are available from Indian data centers located at Noida and Mumbai ensuring data locality for the critical India centered data.

We provide Cloud Solutions via control panel or API, this includes CDN, Load Balancers, Firewalls, VPC, DBaaS, Reserved IPv4, Object Storage, DNS/rDNS, Continuous Data Protection, One Click Installations and many more features. This results in lower project delivery costs by cutting down the delivery timelines. Our collaboration with NVIDIA allows us to play a significant role in helping our customers run their AI/ML training/inference, data science, NLP and computer vision workload pipelines.

Your company is positioned to grow as we enter the AI era. The Company strives to continuously invest in its infrastructure, people and technology.

OPPORTUNITIES AND THREATS

OPPORTUNITIES

End-user spending on public cloud services in India will total \$4.4 billion in 2021, according to the latest forecast from Gartner, Inc. dated April 29, 2021 and infrastructure-as-a-service (IaaS) has been forecasted to grow at 52.7%.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared to comply in all material respects with accounting standards notified under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. The Management accepts the responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgements used therein. The estimates and judgements relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present the state of affairs, profit/loss and cash flows for the year.

RATIO ANALYSIS

	FY 2020-21	FY 2019-20	% Change as compared to previous FY	Remarks/Reason for change where change is ± 25% or more as compared to Previous FY
Debtors Turnover	69.44	32.32	+114.85	The Debtors Turnover ratio has improved further in FY 20-21 due to improved collections and increase in prepaid Customers during FY 20-21
Inventory Turnover	N.A	N.A	N.A	Since the Company does not have any inventory, the Inventory Turnover Ratio is not applicable.
Interest Coverage Ratio	-9.57	N.A	N.A	The interest coverage ratio is used to determine how easily a company can pay their interest expenses on outstanding debt. Since the Company was debt free last year, the Interest Coverage Ratio is not applicable for FY M-20.
Current Ratio	1.19	5.52	-78.44	The Current Ratio of the Company has decreased slightly due to decrease in liquid assets as the focus remained on continued investments in infrastructure.
Debt Equity Ratio	N.A	N.A	N.A	The Debt Equity ratio is calculated by dividing the long-term debts by Shareholders' funds. Since the Company does not have any long-term debt, it is not applicable on the Company.
Operating Profit Margin (%)	-4.32	-45.21	90.44	The operating Profit Margin has improved due to increase in revenue.
Net Profit Margin (%)	-3.2	-37.27	91.41	The Net Profit Margin has improved as compared to last year due to increase in revenue.
Return on Net Worth (%)	-4.79	-38.37	87.51	Return on net worth has improved but is still negative due to slight loss due to focus on investment in infrastructure resulting in high depreciation costs.

Independent Auditors' Report

To the Members of **E2E Networks Limited**
(previously known as *E2E Networks Private Limited*)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **E2E Networks Limited** ("the Company") (previously known as E2E Networks Private Limited), which comprise the balance sheet as at March 31, 2021, and the statement of profit and loss and statement of cash flows for the year ended March 31, 2021, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Accounting standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2006, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Annual Financial statement section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the annual financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" and

(B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

- i) The Company has no pending litigations as at March 31, 2021 that will have impact on its financial position in its financial statements.

- ii) The Company did not have any long-term contracts, including derivative contracts as at March 31, 2021 for which there were material foreseeable losses.
- iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021

**Annexure A to Independent Auditors' Report**

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors report of even date to the members of E2E Networks Limited (previously known as E2E Networks Private Limited).

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The Company does not hold any immovable property (in the nature of 'fixed assets'). Accordingly, the provisions of clause 3(i)(c) of the order are not applicable to the Company.
- (ii) The Company is in the business of providing cloud computing services and does not have any physical inventories. Accordingly, reporting under clause 3 (ii) of the Order is not applicable to the Company.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii) (a), (iii) (b) and (iii) (c) of the Order are not applicable to the Company.
- (iv) In our opinion, the Company has not entered into any transaction covered under Section 185 and 186 of the Act. Accordingly, the provisions of clause 3(iv) of the order are not applicable to the Company.
- (v) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- (vi) The Central Government of India has not specified maintenance of cost records under Section 148(1) of the Act in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the order are not applicable to the Company.
- (vii) (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
- (c) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at March 31, 2021 on account of dispute are given below:

Nature of Statute	Nature of dues	Forum where dispute is pending	Period to which the amount relates	Amount (INR)

Annexure B to Independent Auditors' Report

Referred to in paragraph 1(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors' Report of even date to the members of E2E Networks Limited (previously known as E2E Networks Private Limited).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

- 1) We have audited the internal financial controls over financial reporting of E2E Networks Limited ("the Company") (previously known as E2E Networks Private Limited) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

- 2) The Board of Directors of the Company and its management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

- 3) Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

- 4) A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
 - 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

- 2 provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- 3 provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

- 5) Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 6) In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**E2E Networks Limited (Previously known as E2E Networks Private Limited)****CIN: L72900DL2009PLC341980****Notes to financial statements for the period ended March 31, 2021**

(All amounts in INR unless otherwise stated)

1.1 Corporate information

E2E Networks Limited, earlier known as E2E Networks Private Limited ('the Company') was incorporated on August 20, 2009. The Company was converted into Public Company pursuant to Shareholders resolution passed at the Extra Ordinary General Meeting held on February 16, 2018 and name of Company was changed to "E2E Networks Limited" pursuant to issuance of Fresh Certification of Incorporation dated March 14, 2018 by Registrar of Companies, NCT of Delhi and Haryana. The Company is in the business of providing Cloud computing services. The Company is listed on the SME platform of National Stock Exchange (NSE).

1.2 Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Companies (Accounting Standards) Rules, 2006 (as amended) notified under section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2 Summary of significant accounting policies**2.1 Use of estimates**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.2 Property, Plant and Equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The Company identifies and determines cost of each component/ part of the asset separately, if the

component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

2.3 Depreciation on property, plant and equipment

Depreciation on fixed assets is calculated on a written down value method using the rates arrived at based on the useful lives estimated by the management. The Company has used the following rates to provide depreciation on its fixed assets.

Categories	Useful Life (In Years)
Computer and computer equipment	3
Office equipment's	5
Furniture and fixtures	10
Building	5

Based on the utilization and expected useful life of these assets for the Company, the life of the certain assets has been taken less than the life as prescribed in schedule II of Companies Act, 2013. The life of Servers in schedule II is prescribed to be 6 years whereas the life of the same has been taken 3 years. This decision is supported by the advice of technical expert.

2.4 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

2.5 Leases

Company as a lessee

Operating Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Finance Lease

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss.

A leased asset is depreciated on a straight-line basis over the useful life of the assets. However, if there is no

reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term.

2.6 Impairment of tangible and intangible assets

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

2.7 Borrowing costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

The Company's revenue from cloud computing services and managed hosting services are recognized when the said services are rendered to the customers over the period of the contracts or based on actual utilization of such services and when no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale / rendering of services and regarding its collection.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

2.9 Foreign currency translation

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried

in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

2.10 Retirement and other employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with the notified Accounting Standard 15, 'Employee Benefits (Revised 2005)' ('Revised AS 15').

Provident fund

Provident fund benefit is a defined contribution plan under which the Company pays fixed contributions into funds established under Employees Provident Fund and Miscellaneous Provisions Act, 1952. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contributions recognised in respect of defined contribution plans are expensed as and when they accrue. Liabilities and assets may be recognised if underpayment or prepayment has occurred and are included in current liabilities or current assets, respectively, as they are normally of a short term nature.

Gratuity

Gratuity is a post employment defined benefit plan. The liability recognised in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. Actuarial gains and losses arising from experience, adjustments and changes in actuarial assumptions are recorded as expense or income in the statement of profit and loss in the year in which such gains or losses arise.

Compensated absences

The Company also provides benefit of compensated absences under which un-availed leaves are allowed to be accumulated to be availed in future. The scheme is considered as a long term benefit. The compensated absences comprises of vesting as well as non vesting benefit and the liability is determined in accordance with the rules of the Company and is based on actuarial valuations made using projected unit credit method at the Balance Sheet date.

Other short term benefits

Expenses relating to other short term benefits is recognised on the basis of amount paid or payable for the period during which services are rendered by the employee.

2.11 Taxation

Tax expense comprises of current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current tax is determined as higher of the amount of tax payable calculated at the tax rates applicable to the relevant assessment year on the assessable income of the respective year or tax payable on book profit computed in accordance with the provisions of section 115JB of the Income-tax Act, 1961.

Deferred income-tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

2.12 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

2.14 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.15 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of twelve months or less.

2.16 Employee share based payments

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. The cost is recognised in employee benefits expenses together with a corresponding increase in employee stock option outstanding account, over the period in which the service conditions are fulfilled in accordance with the Guidance Note on 'Share Based Payments' issued by the Institute of Chartered Accountants of India.

2.17 Investments

Trade Investments are the investments made to enhance the company's business interests. Investments are classified into current and long term investments. Investments that are readily realizable and intended to be held for not more than an year from the date of acquisition are classified as current investments. All other investments are classified as long term investments. Current investments are stated at lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each category of investments. Long term investments are stated at cost. A provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of management. Investments other than in subsidiary and associates have been accounted as per Accounting Standard (AS) 13 on "Accounting for Investments".
