DATA RECIPIENTS

Flyps may disclose the Data to its contractors and entities entrusted by it with technical processes, such as:

- a) authorised staff and collaborators;
- b) external providers of accounting, HR and archiving services;
- c) external vendors of office software;
- d) external providers of other services, including marketing, IT, programming, website maintenance, as well as website services, tools and scripts used on the website;
- e) external providers of IT infrastructure, hosting services, mailing tools;
- f) The Trusted Partners (Annex 1) to the extent of marketing support tools and statistical services used by us.

RIGHTS OF DATA SUBJECT

The data subject has the right to:

- request access to the Data, to edit and delete it, to restrict its processing, and to move the data;
- object against the processing of the Data;
- lodge a complaint with the President of the Polish Personal Data Protection Office (UODO) whenever the processing of the Data appears to violate the applicable regulations;
- to cancel the consent to the data processing for marketing purposes, however such cancellation will not affect the legitimacy of any data processing already performed prior to such cancellation.

The scope of the above rights is defined by GDPR.

MARKETING ACTIVITY

Flyps may send marketing information about Flyps via email, with the data subject's express consent. The data subject may opt out of such marketing communication at any time by clicking a link available in the marketing communication, or by contacting Flyps directly at: office@flyps.io..

COOKIES POLICY

Flyps uses "cookies" to operate the website available at www.flyps.io. These cookies policy is available at www.flyps.io/polityka-cookies.

AUTOMATED DECISION MAKING

Flyps does not process personal data by automated means, including profiling.

THIRD COUNTRY RECIPIENTS

The user's personal data may be transmitted to a third country, such as USA, in particular in connection with the Controller's cooperation with the Trusted Partners (Appendix 1).

The personal data will be transmitted based on standard data protection clauses adopted by the European Commission and, therefore, is covered by adequate safeguards to protect the privacy, rights and freedoms of the data subject. A copy of the standard contract clauses can be obtained from the Controller.

DATA RETENTION

The Data is stored in a secure and encrypted form for a period necessary to achieve the purposes for which the Data is processed. In particular, the Data obtained in connection with marketing activities will be processed until the data subject cancels his/her consent.
