Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results

(Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended)

Review Report to the Board of Directors of Hester Biosciences Limited

We have reviewed the accompanying statement of Unaudited Standalone Financial Results of **Hester Biosciences Limited** (the 'Company') for the quarter ended June 30, 2020 (the 'Statement'), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Regulation'), read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 (the 'Circular').

The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the Circular, is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data, and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Emphasis of Matter

We draw attention to Note 6 of the standalone financial results, as regards the management's evaluation of COVID-19 impact on the future performance of the Company as well as of its subsidiaries. The Company provides a right of return to its customers as a customary business practice and it may result in deductions in sales due to returns. Further, due to slack in the Poultry Industry, Company has extended an additional credit period to its customers. To assess the recoverability of certain assets, investments and trade receivables and to identify the impact of anticipated sales returns, the Company has considered internal and external information up to the date of this report in respect of the current and estimated future global including Indian economic indicators consequent to the global health pandemic. The actual impact of the pandemic may be different from that considered in assessing the recoverability of these assets. Our opinion is not modified in respect of this matter.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Review Report on the Quarterly Unaudited Consolidated Financial Results
(Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended)

Review Report to the Board of Directors of Hester Biosciences Limited

We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of **Hester Biosciences Limited** (the 'Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group') for the quarter ended June 30, 2020 (the 'Statement'), attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Regulation'), read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 (the 'Circular').

This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the Circular. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion. We also performed procedures in accordance with the circular issued by the SEBI under regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities:

- Texas Lifesciences Private Limited
- Hester Biosciences Nepal Private Limited
- Hester Biosciences Africa Limited
- Hester Biosciences Kenya Limited

We did not review the interim financial results and other financial information, in respect of all subsidiaries, whose financial result/information reflects total revenues of Rs. 34.51 million, net loss after tax of Rs. 26.81 million and total comprehensive income of Rs. 0.75 million for the quarter ended June 30, 2020. These financial statements and other financial information have been certified by the management. All subsidiaries, except (a) are located outside India whose financial results have been prepared in accordance with accounting principles generally accepted in their respective countries ('local GAAP'). The Parent's management has converted the financial results of such subsidiaries from local GAAP to accounting principles generally accepted in India. We have not reviewed these conversion adjustments made by the Parent's management. According to information and explanation given to us by management, these interim financial results are not material to the Group. Our conclusion on the Statement is not modified in respect of the above matter.

Emphasis of Matter

We draw attention to Note 6 of the standalone financial results, as regards the management's evaluation of COVID-19 impact on the future performance of the Company as well as of its subsidiaries. The Company provides a right of return to its customers as a customary business practice and it may result in deductions in sales due to returns. Further, due to slack in the Poultry Industry, Company has extended an additional credit period to its customers. The actual impact of the pandemic may be different from that considered in assessing the recoverability of these assets. Our opinion is not modified in respect of this matter.
