Canvas Threshold Summary

Over 10 weeks, whether strengthening your existing course or starting from scratch we will work with you to:

AUT Canvas Principles

1. Move relevant digital materials from Blackboard to AUT's new Canvas template

Structure | Copyright, Privacy & Security | Accessibility

2. Set clear expectations for learners so they can identify what represents successful participation in your course

Orientation | Teacher presence

3. Produce a suite of videos to give you an online presence and create a narrative to guide your students' learning

Orientation | Teacher presence | Assessment

4. Develop effective communication channels within Canvas for you and your learners

Communication

5. Create guidance that allows learners to identify the activities they need to complete for each week or topic

Active learner participation

6. Design learning tasks for each week or topic to help students engage with teaching materials, consolidate their learning and check their progress

Active learner participation | Resources

7. Review your assessment designs and – if necessary – clarify

Assessment

8. Make sure your site is accessible and inclusive for all learners

Accessibility | Inclusivity
