AGREEMENT TO PURCHASE SERVICES (BP54-IT) Advantage CT#: 03A 20170111*2095

RIDER A
SPECIFICATIONS OF WORK TO BE PERFORMED

1. **Agreement Summary**
The Provider will install, implement and maintain an all-region prisoner/resident phone system and a remote video visitation system for statewide MDOC facilities. The system includes all equipment, hardware, software, system engineering, material maintenance, labor, training and all things necessary to provide, install, implement, interface, and maintain the phone and video visitation system.

2. **Facilities Served:**
- Maine State Prison [Warren, ME]
- Maine Correctional Center [Windham, ME]
- Long Creek Youth Development Center [South Portland, ME]
- Bolduc Correctional Facility [Warren, ME]
- Mountain View Correctional Facility [Charleston, ME] – (Now combined with Charleston Correctional Facility and operating as one facility)
- Women’s Reentry Center [Windham, ME] – (Currently under construction; anticipated opening March, 2017)
- Downeast Correctional Facility [Machiasport, ME]

Should an MDOC facility move or be re-located, the Department will notify the Provider in advance and the Provider agrees to continue provision of the contracted services without interruption.

3. **Contract Term:**
The initial contract term is set forth above. Following the initial term of the contract, the Department may opt to renew the contract for three (3) renewal periods of one year each, subject to continued availability of funding and satisfactory performance.

4. **Description of Services Provided Under This Contract:**
A. The parties agree that the services described in MDOC’s solicitation document, RFP #201511215 for Prisoner/Resident Phone and Remote Video Visitation System (incorporated into this Agreement as Rider D), together with the proposal response submitted by the Provider (incorporated into this Agreement as Rider E), fairly and accurately describe the services to be provided under this contract. Despite other ancillary services proposed by the Provider, this contract is limited to the services specified in the Department’s RFP document.

B. Rider E includes two additional documents—Implementation Plan and Testing and Acceptance Plan—which will serve as “updates” to plans submitted in the Provider’s original proposal. As reflected in the updated plans, the Provider will initially install standard telephones in lieu of their Bridge Communication Devices (BCDs), with the exception of two BCD units being installed at MCC for the piloting of video visitation services. When/if MDOC decides it would like to expand video visitation to other facilities, the Provider will install said services in order to accommodate the Department’s needs, at no additional cost or obligation to the Department.

C. The parties mutually understand and agree that in the event of any conflict among the provisions of the above documents that constitute the State of Maine Contract for Special Services with Provider, the
AGREEMENT TO PURCHASE SERVICES (BP54-IT) Advantage CT#: 03A 20170111*2095

conflict shall be resolved by giving precedence to the documents in the order listed, with the State of Maine Agreement to Purchase Services (Division of Purchases Form BP54-IT; Face Page) having the highest precedence, and the Legacy Technical Proposal Response being subordinate to all other listed documents.

D. The parties further agree that, after appropriate consultation with the Department, the Provider will add, remove, swap or change necessary equipment in order to meet the Department’s ongoing needs. Such changes may occur during the initial installation phase or at any future point during the term of this contract.

2. **INVOICES AND PAYMENTS:** Legacy will provide a detailed invoice to the MDOC within five (5) days of the end of each month.

   A. For Telephone services, the MDOC agrees to pay Legacy $0.04 for each domestic Debit Call Minute (DCM) of usage and $0.15 for each international DCM.

   B. For Video Visitation services, Legacy agrees to pay MDOC $0.05 per minute of usage following a mutually agreeable invoicing/verification process.

Invoices for payment, submitted on forms approved by the Department, shall be submitted to the Agreement Administrator. Invoices shall contain sufficient detail to allow proper cost allocation and shall be accompanied by supporting documentation. No invoice will be processed for payment until approved by the Agreement Administrator. All invoices require the following:

   E. All invoices must include the Vendor Code number assigned when registering as a vendor with the State of Maine. This number appears on all Contracts and Purchase Orders and can be acquired from the agency contact.

   F. All invoices must include the vendor’s Federal ID Number.

   G. All invoices must include either the Purchase Order number or the Contract number relating to the commodities/services provided.

   H. In cases where hourly rates of contracted resources are concerned, invoices must contain a copy or copies of time sheets associated with that invoice. Time sheets will need to be reviewed and approved by the State’s contract administrator.

Payments are subject to the Provider's compliance with all items set forth in this Agreement. The Department will pay the Provider within thirty (30) days following the receipt of an approved invoice.

The charges described in this Agreement are the only charges to be levied by the Provider for the products and services to be delivered by it. There are no other charges to be made by the Provider to the Department, unless
AGREEMENT TO PURCHASE SERVICES (BP54-IT)  Advantage CT#: 03A 20170111*2095
they are performed in accordance with the provisions of Section 5, Changes in the Work. The Provider shall maintain documentation for all charges against the Department under this Agreement.

3. **INDEPENDENT CAPACITY**  In the performance of this Agreement, the Provider shall act in the capacity of an independent contractor and not as an employee or agent of the State.

4. **AGREEMENT ADMINISTRATOR**  The Agreement Administrator is the Department's representative for this Agreement. S/he is the single authority to act on behalf of the Department for this Agreement. S/he shall approve all invoices for payment. S/he shall make decisions on all claims of the Provider. The Provider shall address all contract correspondence and invoices to the Agreement Administrator. The following person is the Agreement Administrator for this Agreement:

   | E-mail address: | martin.murphy@maine.gov      |

5. **CHANGES IN THE WORK**  The Department may order changes in the work, the Agreement Amount being adjusted accordingly. Any monetary adjustment or any substantive change in the work shall be in the form of an amendment signed by both parties and approved by the State Purchases Review Committee. Said amendment must be effective prior to the execution of the changed work.

6. **SUBCONTRACTORS**  The Provider may not enter into any subcontract for the work to be performed under this Agreement without the express written consent of the Department. This provision shall not apply to contracts of employment between the Provider and its employees.

The Provider is solely responsible for the performance of work under this Agreement. The approval of the Department for the Provider to subcontract for work under this Agreement shall not relieve the Provider in any way of its responsibility for performance of the work.

All Subcontractors shall be bound by the terms and conditions set forth in this Agreement. The Provider shall give the State immediate notice in writing of any legal action or suit filed, and prompt notice of any claim made against the Provider by any Subcontractor, which may result in litigation related in any way to this Agreement, or which may affect the performance of duties under this Agreement. The Provider shall indemnify and hold harmless the Department from and against any such claim, loss, damage, or liability as set forth in Section 16, State held Harmless.
7. **SUBLETTING, ASSIGNMENT OR TRANSFER**

The Provider shall not sublet, sell, transfer, assign, or otherwise dispose of this Agreement, or any portion thereof, or of its right, title, or interest therein, without the written approval of the Department. Such approval shall not in any case relieve the Provider of its responsibility for performance of work under this Agreement.

8. **EQUAL EMPLOYMENT OPPORTUNITY**

During the performance of this Agreement, the Provider certifies as follows:

1. The Provider shall not discriminate against any employee or applicant for employment relating to this Agreement because of race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, or sexual orientation, unless related to a *bona fide* occupational qualification. The Provider shall take affirmative action to ensure that applicants are employed, and employees are treated during employment, without regard to their race, color, religion, sex, age, national origin, physical or mental disability, or sexual orientation.

   Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Provider agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2. The Provider shall, in all solicitations or advertising for employees placed by, or on behalf of, the Provider, relating to this Agreement, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, or sexual orientation.

3. The Provider shall send to each labor union, or representative of the workers, with which it has a collective bargaining agreement, or other agreement or understanding, whereby it is furnished with labor for the performance of this Agreement, a notice to be provided by the contracting agency, advising the said labor union or workers' representative of the Provider's commitment under this section, and shall post copies of the notice in conspicuous places, available to employees and applicants for employment.

4. The Provider shall inform the contracting Department’s Equal Employment Opportunity Coordinator of any discrimination complaints brought to an external regulatory body (Maine Human Rights Commission, EEOC, Office of Civil Rights, etc.) against itself by any individual, as well as any lawsuit regarding alleged discriminatory practice.

5. The Provider shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment, and in the provision of service, to include accessibility and reasonable accommodations for employees and clients.

6. Contractors and Subcontractors with contracts in excess of $50,000 shall also pursue in good faith affirmative action programs.

7. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
9. EMPLOYMENT AND PERSONNEL The Provider shall not engage any person in the employ of any State Department or Agency in a position that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. The Provider shall not engage on a full-time, part-time, or any other basis, during the period of this Agreement, any personnel who are, or have been, at any time during the period of this Agreement, in the employ of any State Department or Agency, except regularly retired employees, without the written consent of the State Purchases Review Committee. Further, the Provider shall not engage on this project on a full-time, part-time, or any other basis, during the period of this Agreement, any retired employee of the Department, who has not been retired for at least one year, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement, so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

10. STATE EMPLOYEES NOT TO BENEFIT No individual employed by the State at the time this Agreement is executed, or any time thereafter, shall be admitted to any share or part of this Agreement, or to any benefit that might arise there from, directly or indirectly, that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. No other individual employed by the State at the time this Agreement is executed, or any time thereafter, shall be admitted to any share or part of this Agreement, or to any benefit that might arise there from, directly or indirectly, due to his employment by, or financial interest in, the Provider, or any affiliate of the Provider, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

11. NO SOLICITATION The Provider certifies that it has not employed or contracted with any company or person, other than for assistance with the normal study and preparation of a proposal, to solicit or secure this Agreement, and that it has not paid, or agreed to pay, any company or person, other than a bona fide employee working solely for the Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from, the award of this Agreement. For breach or violation of this provision, the Department shall have the right to terminate this Agreement without liability or, at its discretion, to otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

12. ACCOUNTING, RECORDS, AND AUDIT

1. The Provider shall maintain all books, documents, payrolls, papers, accounting records, and other evidence pertaining to this Agreement, including interim reports and working papers, and make such materials available at its offices at all reasonable times during the period of this Agreement, and for a period of five (5) years following termination or expiration of the Agreement. If any litigation, claim or audit is started before the expiration of the 5-year period, the records must be retained until all litigation, claims or audit findings involving the agreement have been resolved.

2. Unless the Department specifies in writing a shorter period of time, the Provider agrees to preserve and make available all documents and records pertaining to this Agreement for a period of five (5) years from the date of termination of this Agreement.

3. Records involving matters in litigation shall be kept for one year following the termination of litigation, including all appeals.
AGREEMENT TO PURCHASE SERVICES (BP54-IT) Advantage CT#: 03A 20170111*2095

4. Authorized Federal and State representatives shall have access to, and the right to examine, all pertinent documents and records during the five-year post-Agreement period. During the five-year post-Agreement period, delivery of, and access to, all pertinent documents and records will be at no cost to the Department.

5. The Provider shall be liable for any State or Federal audit exceptions, if applicable, that arise out of any action, inaction, or negligence by the Provider. In the event of an audit exception for which the Provider is liable, the Provider shall have thirty (30) days to remedy that exception. If the Provider fails to remedy that exception within this time period, the Provider shall immediately return to the Department all payments made under this Agreement which have been disallowed in the audit exception.

6. Authorized State and Federal representatives shall at all reasonable times have the right to enter the premises, or such other places, where duties under this Agreement are being performed, to inspect, monitor, or otherwise evaluate, the work being performed. All inspections and evaluations shall be performed in such a manner that will not compromise the work unreasonably.

7. ACCESS TO PUBLIC RECORDS As a condition of accepting a contract for services under this section, a contractor must agree to treat all records, other than proprietary information, relating to personal services work performed under the contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the department or agency. For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the contractor and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the contract and information concerning employee and contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books, documents, payrolls, papers, accounting records and other evidence pertaining to this Agreement and make such materials available at its offices at all reasonable times during the period of this Agreement and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

13. TERMINATION The performance of work under this Agreement may be terminated by the Department in whole or in part, whenever, for any reason the Agreement Administrator shall determine that such termination is in the best interests of the Department. Any such termination shall be effected by the delivery to the Provider of a Notice of Termination specifying the extent to which the performance of work under this Agreement is terminated, and the date on which such termination becomes effective. The Agreement shall be equitably adjusted to compensate for such termination and modified accordingly.

Upon receipt of the Notice of Termination, the Provider shall:

1. Stop work under this Agreement on the date and to the extent specified in the Notice of Termination;
2. Take such action as may be necessary, or as the Agreement Administrator may direct, for the protection and preservation of the property, information, and data related to this Agreement, which is in the possession of the Provider, and in which the Department has, or may acquire, an interest;

3. Terminate all orders to the extent that they relate to the performance of the work terminated by the Notice of Termination;
4. Assign to the Department in the manner, and to the extent directed by the Agreement Administrator, all of the rights, titles, and interests of the Provider under the orders so terminated, in which case the Department shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders;

5. With the approval of the Agreement Administrator, settle all outstanding liabilities and claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this Agreement;

6. Transfer title to the Department (to the extent that title has not already been transferred) and deliver in the manner, at the times, and to the extent directed by the Agreement Administrator, equipment and products purchased pursuant to this Agreement, and all files, source code, data manuals, or other documentation, in any form, that relate to all the work completed, or in progress, prior to the Notice of Termination;

7. Complete the performance of such part of the work as shall not have been terminated by the Notice of Termination; and

8. Proceed immediately with the performance of the preceding obligations, notwithstanding any delay in determining or adjusting the amount of any compensation under this section.

Notwithstanding the above, nothing herein shall limit the right of the Department to pursue any other legal remedies against the Provider.

15. GOVERNING LAW This Agreement shall be governed by, interpreted, and enforced in accordance with the laws, statutes, and regulations of the State of Maine, without regard to conflicts of law provisions. The provisions of the United Nations Convention on Contracts for the International Sale of Goods and of the Uniform Computer Information Transactions Act shall not apply to this Agreement. Any legal proceeding against the Department regarding this Agreement shall be brought in the State of Maine in a court of competent jurisdiction.

16. STATE HELD HARMLESS The Provider shall indemnify and hold harmless the Department and its officers, agents, and employees from and against any and all claims, liabilities, and costs, including reasonable attorney fees, for any or all injuries to persons or property or claims for money damages, including claims for violation of intellectual property rights, arising from the negligent acts or omissions of the Provider, its employees or agents, officers or Subcontractors in the performance of work under this Agreement; provided, however, the Provider shall not be liable for claims arising out of the negligent acts or omissions of the Department, or for actions taken in reasonable reliance on written instructions of the Department.
17. **LIMITATION OF LIABILITY** The Provider's liability to the Department, for damages sustained by the Department, as the result of Provider's default, or acts, or omissions, in the performance of work under this Agreement, whether such damages arise out of breach, negligence, misrepresentation, or otherwise, shall be the greater of any actual direct damages, up to the limits of the insurance required herein, or three times the value of the Product or Service that is the subject of this Agreement, up to a maximum of $25,000,000, but not less than $400,000.

For instance, if this Agreement is valued at $15,000,000, then the Provider's liability is up to $25,000,000. But if this Agreement is valued at $100,000, then the Provider's liability is no greater than $400,000.

Notwithstanding the above, Provider shall not be liable to the Department for any indirect or consequential damages not covered by any of the insurances required herein.

18. **NOTICE OF CLAIMS** The Provider shall give the Agreement Administrator immediate notice in writing of any legal action or suit filed related in any way to this Agreement, or which may affect the performance of duties under this Agreement, and prompt notice of any claim made against the Provider by any Subcontractor, which may result in litigation related in any way to this Agreement, or which may affect the performance of duties under this Agreement.

19. **APPROVAL** This Agreement must be approved by the State Controller and the State Purchases Review Committee before it can be considered a valid enforceable document.

20. **INSURANCE REQUIREMENTS** The Provider shall procure and maintain insurance against claims for injuries to persons, or damages to property, which may arise from, or in connection to, the fulfillment of this Agreement, by the Provider, its agents, representatives, employees, or Subcontractors. The insurance shall be secured by the Provider, at the Provider's expense, and maintained in force, at all times during the term of this Agreement, and, for any claims-made (as opposed to occurrence-based) policy(ies), for a period of not less than two (2) years thereafter.

Maine courts, then the State is not obligated to make payment under this Agreement.

22. SEVERABILITY The invalidity or unenforceability of any particular provision, or part thereof, of
this Agreement shall not affect the remainder of said provision, or any other provisions, and this Agreement
shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.

change in law, court order, national defense requirement, strike or labor dispute, provided that any such event,
and the delay caused thereby, is beyond the control of, and could not reasonably be avoided by that party. Upon

this section shall be extended by the period of the excused delay, together with a reasonable period, to reinstate

Controller.
26. **INTERPRETATION OF THE AGREEMENT**

1. **Reliance on Policy Determinations** The Department shall determine all program policy. The Provider may, from time to time, request the Department to make policy determinations, or to issue operating guidelines required for the proper performance of this Agreement, and the Agreement Administrator shall respond in writing in a timely manner. The Provider shall be entitled to rely upon, and act in accordance with, such written policy determinations and operating guidelines, unless subsequently amended, modified, or changed in writing by the Department, and shall incur no liability in doing so unless the Provider acts negligently, maliciously, fraudulently, or in bad faith. Nothing contained in this Agreement, or in any agreement, determination, operating guideline, or other communication from the Department shall relieve the Provider of its obligation to keep itself informed of applicable State and Federal laws, regulations, policies, procedure, and guidelines, to be in complete compliance and conformity therewith.

2. **Titles Not Controlling** Titles of sections and paragraphs used in this Agreement are for the purpose of facilitating ease of reference only and shall not be construed to imply a contractual construction of the language.

The certification also requires the completion of Federal lobbying reports and the imposition of a civil penalty of $10,000 to $100,000 for failing to make a required report. As a sub-recipient, the Provider understands and agrees to the Federal requirements for certification and disclosure.

3. **Other Funds** If any non-Federal or State funds have been or will be paid to any person in connection with any of the covered actions in this section, the Provider shall complete and submit a “Disclosure of Lobbying Activities” form to the Department.

**32. PROVIDER PERSONNEL**

1. The parties recognize that the primary value of the Provider to the Department derives directly from its Key Personnel assigned in the performance of this Agreement. Key Personnel are deemed to be those individuals whose résumés were offered by the Provider in the Proposal. Therefore, the parties agree that said Key Personnel shall be assigned in accordance with the time frames in the most recent mutually agreed upon project schedule and work plan, and that no re-deployment or replacement of any Key Personnel may be made without the prior written consent of the Agreement Administrator. The Department's exercise of its rights under this provision shall be not be construed as a waiver of the Department's right to terminate this Agreement pursuant to Section 13, Termination.

37. **COVER** If, in the reasonable judgment of the Agreement Administrator, a breach or default by the Provider is not so substantial as to require termination, and reasonable efforts to induce the Provider to cure the breach or default are unavailing, and the breach or default is capable of being cured by the Department or by another contractor without unduly interfering with the continued performance by the Provider, then the
AGREEMENT TO PURCHASE SERVICES (BP54-IT)
