

THEORY OF RHETORIC

Table of contents

| | |
|--|----|
| Foreward | 10 |
| Chapter 1. | 12 |
| 1.1 Formation of Rhetoric | |
| 1.1.1 Rhetoric and ethics | |
| 1.1.2 Speech as a verbal art | |
| 1.1.3 Aristotle's teaching of purposes of speaking | |
| 1.1.4 Fairness according to Aristotle | |
| 1.1.5 Correctness according to Aristotle | |
| 1.1.6 Speech as a technique of inventing thoughts and words | |
| 1.1.7 Cicero on rhetorical science | |
| 1.1.8 Speech practices of Greek and Roman antiquity | |
| 1.1.9 Critique of ancient rhetoric | |
| 1.1.10 Speech culture of Ancient China | |
| 1.1.11 Speech culture of Ancient India | |
| 1.1.12 General structure of speech relations | |
| 1.2 (needs a name – Overview of types of rhetorical theories?) | |
| 1.2.1 Notes on types of theories of speech activity | |
| 1.2.2 Speech pedagogy of Quintillian | |
| 1.2.3 Foundation of homily | |
| 1.2.4 Speech relations in homily | |
| 1.2.5 Change in education system | |
| 1.2.6 Evolvement of rational rhetoric | |
| 1.2.7 Invention of thought and speech according to Lomonosov | |
| 1.2.8 Rhetoric as an instrument of style development | |
| 1.2.9 Decadance of rhetoric | |
| 1.2.10 Rhetorical sciences of the XXth century | |
| 1.2.11 People and peoples existing through language | |
| 1.2.12 Main stages of rhetoric's development form art into a science | |
| 1.3 Ethos. Pathos. Logos | |
| 1.3.1 Definitions | |
| 1.3.2 Sequence of speech actions | |
| 1.3.3 Dialectics – the source of categories of speech | |
| 1.3.4 Place of rhetoric: juxtaposition of poetry – prose | |
| 1.3.5 Place of rhetoric: relationship to grammar | |
| 1.3.6 Place of rhetoric: relationship to grammar and stylistics | |
| 1.3.7 Heuristics, dialectics, sophistic | |
| 1.3.8 Artful speech and practical speech | |
| 1.4 Laws of speech and rhetorical rules | |
| 1.4.1 Induction and deduction in rhetoric | |
| 1.4.2 The notion of speech laws | |
| 1.4.3 Speech laws and rules of rhetoric | |
| 1.4.4 Generalization of Aristotle's speech laws | |
| 1.4.5 Generalized speech laws and societal speech practices | |

| | | |
|-------------|--|-----|
| 1.4.6 | The law of connection of speech and society | |
| 1.4.7 | Speech textures (technologies used) and speech structure | |
| 1.4.8 | Development of speech technologies and development of society | |
| 1.4.9 | Social management of speech | |
| 1.4.10 | The principle of speech development | |
| 1.4.11 | Speech effectiveness | |
| 1.4.12 | Society, state, organization of speech. Openness of information. | |
| Chaper II. | | 160 |
| 2.1 | Theory of monologue | |
| 2.1.1 | Objectives and theories | |
| 2.1.2 | Quintillan's method | |
| 2.1.3 | Aristotle's method | |
| 2.1.4 | Developing the contents of monologue | |
| 2.2 | Ethos and Logos. Conditions of invention. | |
| 2.2.1 | The image of the author by types of oral speech | |
| 2.2.1.1 | The image of the author in family daily speech | |
| 2.2.1.2 | The image of the author in public speech | |
| 2.2.1.3 | The image of the author in forensic speech | |
| 2.2.1.4 | The image of the author in homily | |
| 2.2.1.5 | The image of the author in teaching | |
| 2.2.2 | The image of the author in letters and documents | |
| 2.2.3 | Genre-related image of the author of a manuscript | |
| 2.2.4 | The image of the author in scientific literature | |
| 2.2.5 | The image of the author in mass communication | |
| 2.3 | Logos and Pathos. Sources of invention | |
| 2.3.1 | Rhetorical means and linguistic means | |
| 2.3.2 | Stylistic means and rhetorical means | |
| 2.3.3 | Language means of rhetoric | |
| 2.3.4 | Rhythm of speech | |
| 2.3.5 | Tone as a source of invention | |
| 2.3.6 | Words as a source of invention | |
| 2.3.7 | Trope | |
| 2.3.8 | Figures | |
| 2.4 | Pathos and ethos. Development of invention | |
| 2.4.1 | Dialectics, heuristics, sophistics | |
| 2.4.2 | Prohibitions of heuristics and sophistics | |
| 2.4.3 | Sophisms | |
| 2.4.4 | Heuristic subterfuges | |
| 2.4.5 | Heuristic types of speech | |
| 2.4.6 | Examples | |
| 2.4.7 | Connecting examples | |
| 2.4.8 | The composition of arguments | |
| 2.4.9 | Speech emotions | |
| Chaper III. | | 298 |
| 3.1 | Theory of Dialogue. Structure of dialogue | |
| 3.1.1 | Role of dialogue in society | |

| | | |
|--------|--|--|
| 3.1.2 | The balance of time in society | |
| 3.1.3 | Classification of dialogues by exchange of cues | |
| 3.1.4 | Public relations. "Selling" new ideas | |
| 3.1.5 | The art of management and public relations | |
| 3.1.6 | Invention in dialogue | |
| 3.1.7 | The use of various classes of verbal arts in invention | |
| 3.1.8 | Growth of meaning | |
| 3.1.9 | Effectiveness in conducting a dialogue | |
| 3.1.10 | Competency in conducting a dialogue | |
| 3.2 | Theory of dialogue. Ethos. | |
| 3.2.1 | The main ethos rule in dialogue | |
| 3.2.2 | Distinguishing the types of speech by rules of ethos | |
| 3.2.3 | Limitless duration of dialogue | |
| 3.2.4 | Protection of the listener from the speaker | |
| 3.2.5 | Time, order and individuality in a dialogue | |
| 3.2.6 | Heuristics, dialectics, sophistics | |
| 3.2.7 | Document flow in the office | |
| 3.2.8 | Dialogue between compositions | |
| 3.2.9 | Ethos of homily | |
| 3.2.10 | Mistakes in homily | |
| 3.2.11 | Ethos in mass media dialogues | |
| 3.2.12 | Ethos of advertizing | |
| 3.2.13 | Ethos of computer languages | |
| 3.3 | Theory of dialogue. Pathos | |
| 3.3.1 | Properties of the dialogue pathos | |
| 3.3.2 | Intensity of dialogue | |
| 3.3.3 | Pathos in the dialogues of education | |
| 3.3.4 | Pathos of dialogues and leadership | |
| 3.3.5 | Managing through dialogue | |
| 3.3.6 | Style development through dialogue | |
| 3.3.7 | Social time recorded through dialogue | |
| 3.3.8 | Public relations | |
| 3.3.9 | Substantiative content of dialogue | |
| 3.3.10 | Rhetorical invention as substantiative content | |
| 3.3.11 | Invention and prognosis in dialogue | |
| 3.3.12 | Continuity in the development of dialogue | |
| 3.4 | Theory of dialogue. Logos. | |
| 3.4.1 | Definition and example | |
| 3.4.2 | The structure of logos of dialogue | |
| 3.4.3 | Conventions: local and general conventions | |
| 3.4.4 | Generally accepted conventions | |
| 3.4.5 | Cultural-historic system of conventions | |
| 3.4.6 | Formation of logos in the dialogue conducted within one class of verbal arts | |
| 3.4.7 | Formation of logos in the dialogue conducted in different classes of verbal arts | |

| | | |
|-----------|--|-----|
| 3.4.8 | Recommendations for public relations | |
| 3.4.9 | Classification of dialogues by subject | |
| 3.4.10 | Verbal representation of dialogues by subject | |
| 3.4.11 | Combination of genre systems in dialogue | |
| 3.4.12 | Logos of dialogue as a psychological category | |
| Chaper IV | | 453 |
| 4.1 | Textual structure of society. | |
| 4.1.1 | Some history of discourse study | |
| 4.1.2 | Language unity induced by oral communication | |
| 4.1.3 | Division of society under written speech | |
| 4.1.4 | Oral-written co-operation | |
| 4.1.5 | Printed speech | |
| 4.1.6 | Mass media | |
| 4.1.7 | Computer languages | |
| 4.2 | Theory of speech communication. Ethos | |
| 4.2.1 | Structure of classes of verbal arts | |
| 4.2.2 | Characterization of classes of communicators | |
| 4.2.3 | Regularities of speech communications and types of ethos | |
| 4.2.4 | Laws of ethos and societal order | |
| 4.2.5 | Connection between ethos and texture of speech (technology used) in the history of society | |
| 4.2.6 | Content development of some historic norms of ethos | |
| 4.2.7 | Hypothesis of the unity of speech ethos development | |
| 4.3 | Theory of speech communication. Logos | |
| 4.3.1 | Logos as a system of commonly accepted ideas | |
| 4.3.2 | Commonly accepted ideas of pre-literary oral speech | |
| 4.3.3 | Commonly accepted ideas in various folklore genres | |
| 4.3.4 | The use of folklore commonly accepted ideas in other classes of verbal arts | |
| 4.3.5 | Commonly accepted ideas of written speech | |
| 4.3.6 | Concentration of the commonly accepted ideas of written speech in education | |
| 4.3.7 | Commonly accepted ideas of scientific discourse | |
| 4.3.8 | Commonly accepted ideas of journalism | |
| 4.3.9 | Commonly accepted ideas of mass communication | |
| 4.4 | Theory of speech communication. Pathos | |
| 4.4.1 | Pathos by Aristotle and by Quintilian | |
| 4.4.2 | Pathos of pre-literary oral speech | |
| 4.4.3 | Pathos in oratory | |
| 4.4.4 | Pathos in homily | |
| 4.4.5 | Correlation between oratory, homily and theatrical speech | |
| 4.4.6 | Relation between ethos and pathos in certifying speech | |
| 4.4.7 | Pathos of printed texts | |
| 4.4.8 | Pathos in mass media | |
