# **Potential Participants for On-Campus Meeting**

As the Task Force on College Gambling Policies noted in the *Call to Action* report, it is important to engage a wide variety of stakeholders in discussions about creating campus policies to address gambling and gambling-related harms. Below is a list of potential departments and stakeholders to consider inviting to your on-campus meeting on this topic. Please note that this list should serve as a guideline as you determine the appropriate participants for your meeting, with the understanding that each school is unique and so there may be additional or different stakeholders on your campus who it would be appropriate to include.
